The Association shall be responsible to maintain, repair and/or replace the Limited Common Elements as determined by the Board and the Association may enter upon the Limited Common Elements and make any necessary repairs and charge the Owner(s) of the appurtenant Unit(s) for all costs involved in making such repairs as a Special Assessment.

(c) *Pest Eradication.* The Board may adopt an inspection and preventive program for the prevention and eradication of infestation by pests, birds, bats and organisms on the Condominium Property. The Association or any Person authorized by the Association may, upon not less than one (1) day's notice or immediately in the case of an emergency, enter in or upon any Unit to inspect such Unit and/or perform preventive pest eradication or infestation maintenance in such Unit. The Association, upon reasonable notice (which shall be given no less than fifteen (15) days before the date of temporary relocation) to each Owner and the occupants of a Unit, may require such Owner and occupants to temporarily relocate from a Unit in order to accommodate efforts by the Association to eradicate any pest infestation. The notice shall state the reason for the temporary relocation, the date and time of the beginning of treatment, the anticipated date and time of termination of treatment, and that the occupants will be responsible for their own accommodations during the temporary relocation. Any damage caused to a Unit or the Common Elements by such entry by the Association or by any Person authorized by the Association shall be repaired by the Association as a Common Expense of the Association. All costs involved in maintaining the inspection and preventive program as well as repairing and replacing the Common Elements and Improvements thereon when the need for such maintenance, repair or replacement is the result of such pests, birds, bats or organisms shall be a Common Expense.

(d) *Charges to Owners.* All costs of maintenance, repairs and replacements for the Condominium Property shall be paid for as Common Expenses out of the Association Maintenance Funds as provided in this Declaration. The Board may cause the Condominium Property to be inspected by a designee who may be a hired professional, for any violation thereof. The cost of any maintenance, repairs or replacements by the Association which is not the responsibility of the Association (including, without limitation, charges under the Reciprocal Easement Agreement) or which arises out of, or is caused by, the act of an Owner or such Owner's Permittees shall, after Notice and Hearing, be levied by the Association as a Special Assessment against such Owner.

4.3 *Unsegregated Real Property Taxes.* To the extent not assessed to the Owners, the Association shall pay all real and personal property taxes and assessments levied upon any portion of the Condominium Property. In addition, if more than one Unit is taxed under a blanket tax bill, each Owner shall pay the proportionate share of any installment due under the blanket tax bill to the Association at least ten (10) days prior to the delinquency date. The Association shall transmit the taxes to the appropriate tax collection agency on or before the delinquency date. Blanket taxes shall be allocated among the Owners and their Units proportionately, based upon the total number of square feet that each such Unit bears to the total number of square footage in all of the Units covered by any particular blanket tax bill. The Association shall,

if possible, at least forty-five (45) days prior to the delinquency date of any blanket tax installment, deliver to each Owner subject thereto a copy of the tax bill, along with a written notice setting forth the Owner's obligation to pay the proportionate share of the tax installment and the potential additional charges to the Owner for failure to comply. The Association shall pay the taxes on behalf of any Owner who does not pay the proportionate share of such tax bill. The Association shall impose as a Special Assessment on a delinquent Owner the amount of any sum advanced, plus interest at the rate of eighteen percent (18%) per annum (but in no event more than the maximum rate permitted by law) and any amount necessary to reimburse the Association for any penalty or late charge actually assessed in connection with the blanket tax bill, which late charge results from the failure of the delinquent Owner to make timely payment of the proportionate share of the taxes. Until the Close of Escrow for the sale of ninety percent (90%) of the Units which may be created by Declarant of this Declaration, the foregoing provisions relating to the collection of taxes in connection with a blanket tax bill on all or any portion of the Condominium Property may not be amended without the express written consent of Declarant.

4.4 *Hotel Parcel.* As provided in the Reciprocal Easement Agreement, the Hotel Parcel Owner, from time to time, shall be responsible for the repair, replacement, improvement, or maintenance of the Hotel Parcel, which shall be performed in the sole determination of the Hotel Parcel Owner (which determination shall be binding). In consideration of the reservation and grant of the easement over certain portions of the Hotel Parcel and other consideration as provided in the Reciprocal Easement Agreement, the Association and each Owner shall be obligated for payment of their pro rata share of the expenses incurred by the Hotel Parcel Owner in connection with such maintenance, repair, replacement or improvement of the Hotel Parcel, including reserves, all as more particularly provided in the Reciprocal Easement Agreement. The initial estimated Budget for the Association includes an estimate of the Association's pro rata share of the fees and expenses, including reserves, relating to the maintenance repair, replacement or improvement of the Hotel Parcel. The Hotel Parcel Owner may, from time to time and in its sole and absolute discretion, delegate the repair, replacement and maintenance of the Hotel Parcel to the Manager. As provided in the Reciprocal Easement Agreement, the Hotel Parcel Owner reserves the right to repair and/or replace the entire exterior of the Building and any Systems in the Building and the Association and the Owners shall be obligated to pay their pro rata share of expenses incurred by the Hotel Parcel Owner in connection with the same, including payment of adequate reserves for such repair and/or replacement.

4.5 *Utilities.* To the extent reasonably available to the Association, utility services including, but not limited to, electricity, water, sewer, trash removal, heating and air conditioning, cable television, communications and security Systems, may be provided to the Owners through the Association. Declarant reserves the right, for itself and on behalf of the Association, to provide or contract for the provision of such utilities. In the event such utilities are available to the Owners directly, the Association shall have no obligation to provide these utilities and the Owners shall arrange such utility installation and billing separately. Certain utilities may be provided to Owners on a sub-metering basis, with direct metering from the utilities to the Association and sub-metering from the Association to the individual Units. The Association, and the Declarant on behalf of the Association, shall have the right to contract with a third party billing/metering company to provide utility billing to the Owners in accordance with an installed metering system. The Association may pay all charges for utilities which serve the individual Units but which are subject to a common meter. Such charges shall be assessed to and paid by the Owners as provided in Article 7 of this Declaration. It shall be the duty of each Owner to pay when due all charges for any utility service that is separately metered to such Owner's Unit, either directly by the respective utility or by the Association through a sub-meter as described above. The Association may pay the utility charges on

behalf of any Owner who does not pay the sub-metered charge. The Association shall impose as a Special Assessment on a delinquent Owner the amount of any sum advanced, plus interest at the rate of eighteen percent (18%) per annum (but in no event more than the maximum rate permitted by law) and any amount necessary to reimburse the Association for any penalty or late charge assessed in connection with the sub-metered utility, which charge results from the failure of the delinquent Owner to make timely payment. As provided in the Central Plant Agreement, the Central Plant may provide, among other things, heated water, chilled water, cooling services and fire alarm and monitoring services to the Condominium. IN THE EVENT THE CENTRAL PLANT AGREEMENT IS TERMINATED OR THE ASSOCIATION AND/OR THE OWNERS FAIL TO COMPLY WITH THE CENTRAL PLANT AGREEMENT, TO THE EXTENT PERMITTED BY LAW AND THE CENTRAL PLANT AGREEMENT, THE SERVICES PROVIDED BY THE CENTRAL PLANT TO THE CONDOMINIUM MAY BE INTERRUPTED AND/OR TERMINATED AND THE OPERATOR OF THE CENTRAL PLANT MAY IMPOSE A LIEN ON THE CONDOMINIUM PROPERTY, INCLUDING INDIVIDUAL UNITS.

4.6 Manager. Declarant may enter into a Management Agreement pursuant to which the Manager will manage the Association and the Condominium Property and provide services for the care, protection, maintenance and operation thereof. The costs of such services will be charged to and paid by the Association. The Owners shall be responsible for payment of such costs through Assessments levied by the Association as provided in Article 7 of this Declaration.

5. The Association.

5.1 Organization of the Association. The Association is or shall be, no later than the Close of Escrow on the first Unit, incorporated under the name of CityCenter Luxury Residences Unit Owners Association as a Nevada nonprofit corporation organized under the provisions of NRS Chapter 82.

5.2 Duties and Powers of the Association. The duties and powers of the Association are those set forth in this Declaration, the Articles and Bylaws, together with the general and implied powers of an "association" (as defined in the Act) and a nonprofit corporation generally, to do any and all things that such a corporation may lawfully do which are necessary or proper, in operating for the general welfare of the Owners with respect to the Common Elements and the Association Property and only the Common Elements and the Association Property, except as otherwise provided herein and subject to the limitations upon the exercise of such powers as are expressly set forth in the Controlling Documents. The Association shall further have the right to install or construct capital improvements on the Common Elements subject to the limitations set forth in the Controlling Documents. The Association may at any time, and from time to time reconstruct, replace or refinish any Improvement or portion thereof upon the Common Elements subject to the limitations set forth in the Controlling Documents. The Association may employ personnel necessary for the effective operation and maintenance of the Common Elements, including the employment of legal, management and accounting services and/or other professionals. The Association shall additionally have the power but not the duty to enter into contracts with Owners or other Persons to provide services or to maintain and repair Improvements within the Condominium Property and elsewhere which the Association is not otherwise required to provide or maintain pursuant to this Declaration; *provided, however*, that any such contract shall provide for the payment to the Association for the costs of providing such services or maintenance. The Association shall further have the power but not the duty to enter into and/or record other declarations, easements or agreements

(including, but not limited to, the Easements) on behalf of itself and the Owners concerning the use of and access to the Condominium Property, the Building and/or the Project, or any portion thereof, and the payment of expenses related thereto. The Association shall only have control over the Condominium Property. Under no circumstances shall the Association have any control over the Hotel Parcel or Commercial Parcel or any part thereof.

5.3 Membership in the Association. Every Owner, upon becoming the Owner of a Unit, shall automatically become a Member of the Association and shall remain a Member until such Person is no longer an Owner, at which time such Membership shall automatically cease. Ownership of a Unit shall be the sole qualification for Membership in the Association. Membership shall not be assignable except to the Person to which fee simple title to the Unit has been transferred, and every Membership shall be appurtenant to and may not be separated from the fee simple ownership of such Unit. The rights, duties, privileges and obligations of all Owners shall be as provided in the Governing Documents.

5.4 Transfer of Membership. The Membership shall not be transferred, pledged or alienated in any way, except upon the sale of a Unit, and then only to the Purchaser. A prohibited transfer is void and will not be reflected upon the books and records of the Association. The Owner shall remain liable for all charges and Assessments attributable to the Unit until fee simple title to the Unit is transferred. If the Owner fails or refuses to transfer Membership to the Purchaser of the Unit upon transfer of fee simple title thereto, the Association shall have the right to record the transfer upon the books of the Association. Until satisfactory evidence of such transfer has been presented to the Board, the Purchaser shall not be entitled to vote at meetings of the Association. The Association may levy a transfer fee in an amount to be determined by the Board from time to time, but in no event exceeding the maximum amount allowed under Nevada law, against a Purchaser and his, her or its Unit (which fee shall be added to the Annual Assessment chargeable to such Purchaser). Such transfer fee shall not be applicable to any sale from the Declarant or an Affiliate of the Declarant, as Owner of a Unit, to a Purchaser. The fee described in this Section 5.4 is separate and distinct from any other fees, charges, levies or assessments which may be charged by the Association as provided in the Controlling Documents.

5.5 Voting Rights. All voting rights shall be subject to the Governing Documents. Owners shall be entitled to vote the Allocated Interest that is allocated to such Owner's Unit (as set forth in Exhibit C) in which they hold the interest required for Membership. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein, or in the Bylaws, shall be deemed to be binding on all Owners (including all Co-Owners), their successors and assigns. All voting rights allocated to a Unit must be cast as a single vote.

(a) Voting by Co-Owners. When more than one (1) Person holds such interest or interests in any Unit ("*Co-Owners*"), all such Co-Owners shall be Members of the Association and may attend any meeting of the Association. Such Co-Owners shall designate one individual who shall be entitled to receive notices and exercise the single vote for the Unit's Allocated Interest on each item brought before the Membership to which the Unit is entitled (the "*Designated Co-Owner*"). Only the Designated Co-Owner shall be entitled to exercise the vote on behalf of the Membership representing the Unit, *provided, however*, that in the event the Designated Co-Owner is not present at a meeting in person or by proxy but one or more of several Co-Owners is or are present, only one of the Co-Owners (as

determined by a majority of the Co-Owners which are present at the meeting) shall be entitled to cast the vote allocated to the Unit. No vote shall be cast for any Unit if the Designated Co-Owner is not present in person or by proxy at a meeting and the Co-Owners which are present cannot agree upon said vote or other action. Fractional voting shall not be allowed, and the vote for each Unit shall be exercised, if at all, as a unit. The nonvoting Co- Owner or Co-Owners shall be jointly and severally liable for all of the obligations imposed upon the jointly owned Unit and shall be entitled to all other benefits of ownership. The name and address of the Designated Co-Owner shall be delivered to the Association and shall be valid until a new designation signed by all Co-Owners of the Unit is delivered to the Board. It shall be conclusively presumed that the Designated Co-Owner is acting with the consent of and on behalf of the other Co-Owners.

(b) *Voting by Owner's Representative.* When a Unit is owned by a corporation, limited liability company, partnership or other entity, the Owner of the Unit shall designate one (1) person who shall receive all notices and who shall be entitled to vote the Unit's Allocated Interest on each item brought before the Membership for which the Unit is entitled to vote (the "*Owner's Representative*"). Fractional voting shall not be allowed, and the vote for each Unit shall be exercised, if at all, as a unit. Where no Owner's Representative has been designated as provided herein, or if the designation has been revoked, the vote for the Unit may be exercised by any person present at the meeting and purporting to act on behalf of the Owner. Unless the Board receives a written objection in advance, it shall be conclusively presumed that the person voting on behalf of the Owner is acting with the consent of the Owner. No vote shall be cast for any Unit if the Owner cannot agree upon said vote or the person voting on behalf of the Owner. The name and address of the Owner's Representative shall be delivered to the Association and shall be valid until a new designation is delivered to the Board. It shall be conclusively presumed that the Owner's Representative is acting with the consent of and on behalf of the Owner.

5.6 *Declarant's Period of Control.* Notwithstanding anything contained in this Declaration to the contrary, the Declarant shall have the right to appoint and remove officers of the Association and members of the Board until the first to occur of the following events:

(a) sixty (60) days after the Close of Escrow of seventy-five percent (75%) of the Units that may be created by the Declarant, as set forth in Section 18.6 of this Declaration;

(b) five (5) years after the Declarant has ceased to offer Units for sale in the ordinary course of business; or

(c) five (5) years after any right to add new Units was last exercised by the Declarant.

The period of time prior to the first to occur of the foregoing events is referred to in this Declaration as the "*Declarant's Period of Control.*" The Declarant, in its sole and absolute discretion, may voluntarily surrender the right to appoint and remove officers of the Association and members of the Board before any of the events enumerated above occur and upon doing so the Declarant may require, for the duration of the Declarant's Period of Control, that specified actions of the Association or the Board as described in a Recorded instrument executed by the Declarant be approved by the Declarant before they become effective. Notwithstanding the foregoing, no later than sixty (60) days after the conveyance of twenty-five percent (25%) of the Units that may be created by the Declarant as set forth in Section 18.6 of this Declaration to Owners other than the Declarant, at least one member of the Board and not less than twenty-

five percent (25%) of the Board must be elected by Owners other than the Declarant and that no later than sixty (60) days after the conveyance of fifty percent (50%) of the Units that may be created by the Declarant as set forth in Section 18.6 of this Declaration to Owners other than the Declarant, not less than thirty-three and one-third percent (33 1/3%) of the members of the Board must be elected by Owners other than the Declarant.

5.7 Limitation on Liability of Association. Notwithstanding the duty of the Association to maintain and repair portions of the Condominium Property, neither the Declarant nor the Association and/or any manager engaged by either or both of them shall be liable to Owners or the Owners' Permittees for injury or damage caused by any latent condition of the Condominium Property. Furthermore, neither the Declarant nor the Association and/or any manager engaged by either or both of them shall be liable for any injury or damage caused by defects in design or workmanship or any reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Owner regardless of whether or not any such additions, alterations or improvements shall have been approved by the Declarant or the Association pursuant to the terms of this Declaration. The Declarant and the Association also shall not be liable to any Owner or such Owner's Permittees for any property damage, personal injury, death or other liability on the grounds that the Declarant, the Association, and/or any manager engaged by them did not obtain or maintain insurance (or carry insurance with a particular deductible amount) for any particular matter where such insurance is not required hereby or the Declarant, the Association, and/or any manager engaged by them could not obtain such insurance at reasonable costs or upon reasonable terms.

6. Budget.

6.1 Generally. The Budget shall comply with and contain the information required by the Act or any successor statutory provisions.

6.2 Initial Year of Operations. The Annual Assessment for each Unit for the first Fiscal Year of the Association shall be as set forth in the initial Budget adopted by the Board. If, during the first Fiscal Year of the Association, the Board determines that the Annual Assessment should be increased, the Board shall provide a summary of the increased Budget to all Owners and shall call a meeting of the Owners to consider ratification of the increased Budget, as provided in the Act. Unless Owners controlling a majority of the voting power of the Association reject the increase, the increase shall be deemed ratified, whether or not a quorum is present at said meeting. The Budget, as ratified, shall be binding on all Owners.

6.3 Subsequent Fiscal Years. The Board shall, not less than thirty (30) nor more than sixty (60) days before the beginning of the upcoming Fiscal Year, prepare and distribute to the Owners a summary of the Budget for the upcoming Fiscal Year, accompanied by a written notice that: (a) the Budget is available for review at the business office of the Association or some other suitable location within Clark County; and (b) copies of the Budget will be provided upon request. Within sixty (60) days after adoption of any proposed Budget, the Board shall provide a summary of the proposed Budget to each Owner and shall set a date for a meeting of Owners to consider ratification of the proposed Budget, as provided in the Act. Unless at that meeting a majority of all Owners reject the proposed Budget, the proposed Budget is ratified, whether or not a quorum is present. If the proposed Budget is rejected, the Budget last ratified by the Owners must be continued

until such time as the Owners ratify a subsequent Budget proposed by the Board. If during such upcoming Fiscal Year the Board determines that the Annual Assessment should be increased above the amount reflected in the Budget then in effect for such Fiscal Year, the Board shall provide a copy or a summary of the increased Budget, accompanied by a written notice of where the Budget is available for review and that copies of the Budget may be obtained upon request, to all Owners and the provisions set forth above concerning a meeting of the Owners to ratify a new Budget shall be applicable to such proposed increase. The Budget, as ratified, shall be binding on all Owners.

7. *Assessments; Liens.*

7.1 *Association Maintenance Funds.* The Board shall establish Association Maintenance Fund accounts, into which shall be deposited all monies paid to the Association, and from which disbursements shall be made, as provided herein, in the performance of functions by the Association under this Declaration. Any surplus funds of the Association remaining after payment of or provision for Common Expenses and any prepayment of reserves or any other fund established by the Board must be paid to the Owners in proportion to their liability for Common Expenses or credited to them in proportion to their liability for Common Expenses to reduce their future Assessments for Common Expenses.

7.2 *Purpose of Assessments.* The Assessments levied by the Association shall be used to promote the recreation and welfare of the Owners and for the operation, replacement, improvement and maintenance of the Common Elements, and to discharge any other obligations of the Association under this Declaration and the other Controlling Documents. The Assessments and charges levied by the Association may include costs and expenses paid by the Association under the Easements. Such Assessments and charges shall be paid by the Owners as provided in this Article 7 and shall be subject to all other terms and conditions in this Article 7.

7.3 *Personal Obligation of Assessments.* Each Owner, by acceptance of a deed to a Unit, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all Assessments to be established and collected as provided in this Declaration. All Assessments, together with interest, costs, and reasonable attorneys' fees for the collection thereof, shall be a charge on the Unit against which such Assessment is made. Each such Assessment, together with interest, costs and reasonable attorneys' fees shall also be the personal obligation of the Person who was the Owner of the Unit at the time when the Assessment fell due. This personal obligation cannot be avoided by abandonment of the Unit or by a delegation of use or offer to waive use of the Common Elements. The personal obligation for delinquent Assessments shall not pass to any Purchaser unless expressly assumed by the Purchaser; *provided, however*, that the delinquent Assessment shall still remain a charge against the Purchaser's Unit.

7.4 *Annual Assessments; Commencement; Collection.* Annual Assessments shall commence on all Units in a Phase as determined by the Declarant in its sole discretion. Until the Association makes an Annual Assessment, the Declarant shall pay all Common Expenses. All Annual Assessments shall be assessed against the Owners and their Units based upon their Allocated Interest.

7.5 *Delinquency.* Any installment of an Assessment provided for in this Declaration shall be delinquent if not paid within fifteen (15) days of the due date as established by

the Board. Upon such delinquency, the full amount of the Assessment remaining in any given year (i.e., not simply the delinquent installment) shall become due and payable. The Board shall be authorized to adopt a system pursuant to which the full amount of any Assessments not paid within sixty (60) days after the due date, plus all reasonable costs of collection (including attorneys' fees) and late charges as provided herein, shall bear interest commencing sixty (60) days from the due date until paid at the maximum rate permitted by law. The Association may also require the delinquent Owner to pay a late charge in accordance with the Act. The Association need not accept any tender of a partial payment of an installment of an Assessment and all costs and attorneys' fees attributable thereto, and any acceptance of any such tender shall not be deemed to be a waiver of the Association's right to demand and receive full payments thereafter.

7.6 Liens. All sums assessed and fines imposed in accordance with the provisions of this Declaration shall constitute a lien upon each Unit (except for those Units owned by the Declarant) from the time such sums become due, prior and superior to all other liens and encumbrances thereon except (i) liens and encumbrances Recorded before Recordation of this Declaration; (ii) a Mortgage in first lien position on a Unit Recorded before the date on which the Assessment sought to be enforced becomes delinquent, except a lien imposed by the Association in accordance with this Declaration shall have priority for nine (9) months' of Assessments pursuant to the Act unless federal regulations require a shorter period of priority for the lien; and (iii) liens for real estate taxes and other governmental assessments or charges against all Units except those Units owned by the Declarant. The Association may foreclose its lien in accordance with the provisions of the Act. A lien for unpaid Assessments is extinguished unless proceedings to enforce the lien are instituted within the time frame provided in the Act.

8. *Licenses and Services Provided by Hotel Operator.*

8.1 License to Use of Hotel Name. The Hotel Operator has granted or will grant to the Association a right to use certain marks associated with the Hotel for the limited, noncommercial purpose of identifying the Condominium and the Units. The rights to use such marks are subject to the terms of a license agreement between the Hotel Operator and the Association. Each Owner acknowledges and agrees that the marks associated with the Hotel and all rights and goodwill pertaining thereto belong exclusively to the Hotel Operator and its Affiliates and subsidiaries. Upon termination or expiration of the agreements with the Hotel Operator or upon termination of an Owner's right, title or interest in and to a Unit, such Owner's limited right to use of certain of the marks associated with the Hotel and owned by the Hotel Operator shall immediately terminate and such Owner shall release and disclaim all right or interest in and to such marks.

8.2 Hotel Amenities. It is anticipated that the Association has or will enter into an agreement (the "*Hotel Amenities Agreement*") with the Hotel Operator as the operator of the Hotel Amenities, whereby the Association will acquire limited rights of access for the use of the Hotel Amenities by the Owners subject to the payment of certain fees and compliance with certain rules and regulations as more fully described in the Hotel Amenities Agreement. It is further anticipated that one or more of the Easements will grant non-exclusive and limited rights to the Association to access the Hotel pool and fitness facilities subject to the terms set forth therein. With the exception of fees for services provided to Owners on an individual basis, including, but not limited to, spa treatments, the fees for the Hotel Amenities will be paid by the Association and the Association will

assess the Owners for their pro rata share of the fees, regardless of their use of the Hotel Amenities. The Budget of the Association shall include such estimated or actual fees. Notwithstanding the foregoing, Declarant makes no representation or warranty regarding the cost, quality, nature or extent of the Hotel Amenities or that such Hotel Amenities will be provided at all. Furthermore, notwithstanding the foregoing or anything in the Controlling Documents to the contrary, Declarant makes no representation, warranty or guaranty as to who will operate the Hotel Amenities and discloses to Buyer that any of the Hotel Amenities may be changed, relocated or eliminated at any time.

8.3 Residential Services. It is anticipated that the Association will enter into one or more agreements with the Hotel Operator and/or the Manager (the "*Services Agreement*"), whereby the Hotel Operator and/or Manager will contract for and/or provide certain services and amenities for the use and enjoyment of the Owners or the benefit of the Condominium and to provide management services for the Association in accordance with the Act (the "*Residential Services*"). The Residential Services may, but will not necessarily, include: valet parking, door attendant services, concierge services, room service, housekeeping service, security, common area cleaning and maintenance, facility engineering, property management services for the Association and other services as the Hotel Operator and/or Manager may determine are required for the proper maintenance and operation of the Condominium. Certain Residential Services will be offered to the Owners on an optional basis for their individual use and/or benefit and will be subject to certain fees to be determined by the Hotel Operator and/or Manager as provided in the Services Agreement. Unit owners utilizing such optional services shall be solely responsible to pay the fees associated therewith. Certain other Residential Services will be provided for the benefit of all Owners, directly or indirectly. The costs associated with such services shall be paid by the Association and the Association will be able to assess the Owners for their pro rata share of such costs. The Budget for the Association includes an estimate of such costs. Notwithstanding the foregoing, Declarant makes no representation or warranty regarding the cost, quality, nature or extent of the Residential Services or that such Residential Services will be provided at all.

8.4 Termination of License and Agreements. THE AGREEMENTS BETWEEN THE HOTEL OPERATOR AND/OR ITS AFFILIATES, THE DECLARANT AND/OR THE ASSOCIATION DESCRIBED IN THIS ARTICLE 8 ARE HIGHLY INTEGRATED AND THE TERMINATION OF ANY ONE AGREEMENT, WHETHER BY THE DECLARANT, THE ASSOCIATION OR THE HOTEL OPERATOR, MAY RESULT IN THE TERMINATION OF ANY OR ALL OF THE OTHER AGREEMENTS. MOREOVER, IN THE EVENT THE HOTEL OPERATOR AT ANY TIME CEASES TO OPERATE THE HOTEL, SUCH HOTEL OPERATOR WILL HAVE THE RIGHT TO TERMINATE ANY OR ALL OF THE AGREEMENTS WITH THE ASSOCIATION AND THE ASSOCIATION AND THE OWNERS WILL CEASE TO HAVE THE RIGHT TO USE ANY AND ALL MARKS ASSOCIATED WITH THE HOTEL. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, NO TERMINATION BY THE ASSOCIATION AND/OR THE OWNERS OF THE HOTEL AMENITIES AGREEMENT OR THE SERVICES AGREEMENT SHALL BE VALID UNLESS SUCH TERMINATION IS APPROVED BY THE OWNERS REPRESENTING AT LEAST SIXTY-SEVEN PERCENT (67%) OF THE MEMBERS.

9. *Additions, Alterations or Improvements by Owners.*

9.1 *When Approval Required.* No Owner may install any electrical wiring, plumbing, machinery, pools, whirlpools, saunas, air conditioning units or improvements or items in, on or to its Unit, make any addition, alteration or improvement to the Common Elements without the prior written consent of the Board, or change in any manner the appearance of any portion of the Building without the prior written consent of the Hotel Parcel Owner. Notwithstanding anything in this Article 9 to the contrary, no Owner may make any addition, alteration or improvement to the Hotel Parcel or any portion thereof. The standards and limitations contained in this Article 9 shall be minimum standards and limitations and the Board shall be free to adopt and enforce rules and regulations which are more restrictive than those contained herein.

9.2 *Approval Process.* The Board shall answer, in writing, any written request by an Owner for approval of an installation to its Unit or other addition, alteration or improvement within forty-five (45) days after receipt of the written request and any additional information requested by the Board is received. The Board may condition the approval as it desires, including, without limitation, that it may (i) retain the right to approve of the contractor who will perform the work; (ii) restrict the time when the work may be performed; (iii) require an Owner to provide a security deposit in an amount the Board determines and in an account the Board controls; (iv) require an Owner to provide to the Board plans and specifications prepared and sealed by a professional engineer or architect duly licensed by the State of Nevada; (v) condition any approval upon compliance with a construction schedule and impose a construction penalty in an amount not greater than fifty thousand dollars (\$50,000.00) or another amount agreed to between the Association and the Owner in a separate contract; and (vi) require an Owner requesting the change to obtain, prior to commencing any work, and maintain, until completion of the work, comprehensive general liability insurance in amounts required by the Board. If the Board requires an Owner to obtain comprehensive general liability insurance, then the Owner shall designate the Declarant, the Association, the Board, the Hotel Parcel Owner and the Hotel Operator and any other person designated by the Board as additional insureds under the policy or policies.

9.3 *Standards for Construction of Additions, Alterations or Improvements by Owners.* All work performed in connection with an approved addition, alteration or improvement of any Unit shall be effected as expeditiously as possible and in such a manner as not to unreasonably interfere, obstruct or delay access to or from or be a nuisance to other Owners or the Hotel Parcel Owner or Hotel guests, licensees or invitees, the operations of the Hotel in general, the Commercial Parcel Owner, Commercial Parcel guests, licensees or invitees or the operations of the Commercial Parcel in general. No addition, alteration or improvement within a Unit shall be built in such a manner as to adversely affect the heating, ventilation, air conditioning or any other Systems (including, without limitation, Life Safety Systems), or the structural integrity of any other Unit, the Building, the Hotel Parcel or related structures in the Condominium Property. Staging for any approved addition, alteration or improvement including, without limitation, the location and storage of building materials, and the parking of construction vehicles and equipment shall be limited to those areas within the Unit being altered, modified or changed, or in such other areas of the Common Elements as the Association designates in its sole discretion (subject to approval of the Hotel Parcel Owner, in its sole discretion). Unless otherwise specifically stated herein, the Person contracting for the performance of such work ("*Contracting Party*") shall, at its sole cost and expense, promptly repair and restore or cause to be promptly repaired and restored to its prior condition all improvements damaged or destroyed in the performance of such work. If the same is not repaired and restored as required above, the Association shall have the right, in its sole discretion, to cause such damage or destruction to be repaired and restored at the

cost of such Contracting Party and shall have the express right to file a lien on such Contracting Party's Unit(s) within the Condominium Property and shall have the right to foreclose such lien in accordance with Nevada Law.

9.4 *Liens.* The Contracting Party shall not permit any liens to stand against his, her or its Unit, Condominium Property, the Hotel Parcel, the Commercial Parcel, the Building (or any portion thereof) or the Project (or any portion thereof) for any work done or materials furnished in connection with the performance of any addition, alteration or improvement as provided herein; *provided, however*, that the Contracting Party may contest the validity of any such lien, but upon a final determination of the validity thereof, the Contracting Party shall cause the lien to be satisfied and released of record. The Contracting Party shall, within thirty (30) days after receipt of written notice from the Association, the Hotel Parcel Owner, the Commercial Parcel Owner, the owner of any portion of the Building and/or the Project, as the case may be, cause any such outstanding lien or claim of lien to be released of record or transferred to bond in accordance with applicable law, failing which the Association and/or the Hotel Parcel Owner, as the case may be, shall have the right, at the Contracting Party's sole cost and expense, to transfer said lien to bond.

9.5 *Costs.* The Owner shall pay all costs the Board incurs in reviewing any of the Owner's proposed changes, including, without limitation, all costs of architects, engineers or other professionals the Board and/or the Hotel Parcel Owner, as the case may be, retains to assist in its review. If the Owner does not timely pay these costs, the costs shall be deemed a Special Assessment.

9.6 *Compliance with Law.* An Owner's installations, approved additions, alterations or improvements (i) shall be made in compliance with all applicable laws, rules, ordinances and regulations of all governmental authorities, (ii) may only be made once all required permits have been obtained and (iii) must be in compliance with any conditions imposed by the Association with respect to design, structural integrity, sound attenuation, water-proofing, construction details, lien protection or otherwise.

9.7 *Indemnification.* An Owner making or causing to be made any installations, additions, alterations or improvements agrees for that Owner, and for his or her heirs, personal representatives, successors and assigns, to defend and to hold the Association, Declarant, Hotel Parcel Owner Parties, any Commercial Parcel Owner and all other Owners and owners of property within the Project harmless from and to indemnify them for any and all liabilities, claims, damages, expenses (including, without limitation, reasonable attorneys' fees and reasonable attorneys' fees on any appeal), liens, claims of lien, judgments, proceedings and causes of action of any kind whatsoever, arising out of or in any way connected with the performance of such work, unless caused by the negligent or willful act or omission of the indemnified person, its tenants, subtenants, agents, contractors or employees. Further, each Owner (including the successors and assigns) agrees to indemnify and hold Declarant, the Hotel Parcel Owner Parties, any Commercial Parcel Owner and the Owner of any other portion of the Project, as the case may be, and the Association harmless from and against any and all costs, claims (whether rightfully or wrongfully asserted), damages, expenses or liabilities whatsoever (including, without limitation, reasonable attorneys' fees and court costs at all trial and appellate levels), arising out of any review of plans as provided herein.

9.8 *Repair and Maintenance.* The Owner making or causing to be made any installations, additions, alterations or improvements shall be responsible for the maintenance and repair of any installations, additions, alterations or improvements, and for insurance.

9.9 Right to Stop Work and of Review. The Association shall have the right to stop any work that is not in compliance with the terms contained in this Article 9 or any rules of the Association governing improvements by Owners. The Association's rights of review and approval of plans and other submissions under this Declaration are intended solely for the benefit of the Association and its respective designees. Neither Declarant, the Association nor any of their respective officers, directors, employees, agents, contractors, consultants or attorneys shall be liable to any Owner or any other person by reason of mistake in judgment, failure to point out or correct deficiencies in any plans or other submissions, negligence, or any other misfeasance, malfeasance or nonfeasance arising out of or in connection with the approval or disapproval of any plans or submissions. Anyone submitting plans as provided in this Article 9, by the submission of same, and any Owner, by acquiring title to same, agrees not to seek damages or equitable relief from Declarant or the Association arising out of the review of any plans. Without limiting the generality of the foregoing, the Association shall not be responsible for reviewing, nor shall its review of any plans be deemed approval of, any plans from the standpoint of structural safety, soundness, workmanship, materials, usefulness, conformity with building or other codes or industry standards, or compliance with governmental requirements. Neither the Declarant nor the Association shall be responsible or subject to any liability for the refusal of the building department or any other governmental authority with jurisdiction to approve the proposed alterations or changes.

9.10 Life Safety Systems. No Owner may make any additions, alterations or improvements to the Life Safety Systems and/or to any other portion of the Condominium Property which may impair or affect the Life Safety Systems or access to the Life Safety Systems. In that regard, no lock, chain or other device or combination thereof shall be installed or maintained at any time on or in connection with any door on which panic hardware or fire exit hardware is required or installed. Stairwell identification and emergency signage shall not be altered or removed by any Owner in any manner whatsoever. No barrier, including, without limitation, items of personalty, shall impede the free movement of ingress and egress to and from all emergency ingress and egress passageways.

9.11 Sound Restriction. In the event that any Owner desires to modify any Improvement to its Unit, including, without limitation, the floor coverings in its Unit, then, in addition to all other requirements set forth herein, each Owner shall be, and remain, obligated to comply with the terms of this Article 9. Under all circumstances, whether as a result of modifications to the Unit, or actions of an Owner within its Unit, each Unit shall be required to have the following minimum field sound transmission class ("*FSTC*") ratings: (i) with respect to walls between Units, no less than sixty (60), (ii) with respect to walls between a Unit and a corridor, no less than fifty (50), and (iii) with respect to walls solely within a single Unit that are between the floor and ceiling, no less than fifty (50). In addition, each Unit shall maintain a minimum field impact isolation class ("*FIIC*") rating of no less than forty-five (45). Such measurement is a general classification with respect to the impact sound insulation of a floor/ceiling assembly between neighboring Units. Flooring materials (including hard-surface flooring underlayment materials) are classified by such *FSTC* and *FIIC* measurements that reflect the degree of noise likely to be created by use of such materials (and, as described more fully in this Section below, such information is among the information required to be provided by an Owner at such Owner's sole expense before any consideration will be given to permitting replacement of flooring materials). If testing is required to confirm compliance with the above *FSTC* and *FIIC* requirements, the same shall be conducted at the Owner's sole expense by a qualified acoustical consultant per the test and classification requirements specified in the most current versions of ASTM E 366, ASTM E 413, ASTM E 1007, and ASTM E 989. The Owner shall, at its sole expense, seek the assistance of a qualified acoustical consultant to understand the requirements set forth in this Article 9.

9.12 *Floor Coverings.* With respect to carpeting installed in a Unit by an Owner, padding shall be used, and such carpeting and padding shall be of a total weight of no less than sixty (60) ounces per square yard. With respect to hardwood, marble, ceramic tile or other hard floor coverings, if permitted, such flooring shall be installed only with appropriate acoustic underlayment. The particular underlayment may be dictated by the nature of the floor covering. It shall remain the responsibility of each Owner to abide by the sound and noise reduction requirements set forth in this Declaration. It shall be required for any such Owner contemplating the installation of hardwood flooring, marble, ceramic tile or other hard floor coverings on the floor directly above a Unit owned by another Owner, to request the Association's approval to permit the Owner to install same. Under no circumstances shall any Owner modify, alter or impair the floor/ceiling assembly of its Unit. Any Owner desiring to install hard-surface flooring in its Unit to replace any originally-installed flooring shall provide at such Owner's sole expense the following information to the Association for its reference in connection with its review of any request to permit the installation of such hard-surface flooring (subject to the waiver by the Association of the requirement that any particular materials or information be submitted):

(a) *Information.* Information, including, if appropriate, construction plans and/or drawings, clearly indicating the type of flooring to be installed and the underlayment to be provided to mitigate impact noises such as foot-falls. The information must clearly identify all materials, their composition, and thickness. This information, including any plans and/or drawings, shall be reviewed and approved, at the Owner's sole cost and expense, by a qualified acoustical consultant for acoustical and structural integrity and performance and compliance with the acoustical requirements of this Declaration;

(b) *Instructions.* A copy of the installation instructions from the resilient underlayment manufacturer, which instructions shall be followed by the installing contractor;

(c) *Contractors.* The name, qualifications, and experience of the contractor who will install the hard-surface flooring and resilient underlayment, with a listing of such contractor's experience in the installation of floors utilizing impact installation materials; and

(d) *Evidence.* Evidence that the newly-installed flooring will not create greater noise impacts than the test results for the floor/ceiling assembly yielded when tested as described above.

9.13 *Noise Reduction.* Acoustical privacy is in the mutual interest and benefit of all Owners, their lessees and other occupants of the Condominium Property. Acoustical privacy can only be achieved through understanding and compliance with certain limitations and restrictions. It is recognized that total sound isolation from an adjacent Unit or other Improvement in a manner comparable to a single-family residence is difficult if not impossible to attain. Efforts have been made in the basic design of the Condominium Property to alleviate airborne noise, structure-borne noise and impact noise transmission from and to each Unit. The design and construction of the Condominium Property attempts to meet the standards and criteria imposed by the applicable governmental authorities related to sound insulation to the extent permitted by construction practices today. Modification of design of the structures or related components thereof by any Owner, or installation of noise generating instruments or equipment, could then alter the resultant expected isolation. The following restrictions are intended to maximize the acoustical privacy of all Owners, lessees and other occupants of the Condominium Property:

(a) *Noise Requirements.* Any improvement, equipment, or activity which may create noise impacts for any Unit or the Common Elements shall be subject to the strict noise reduction requirements and guidelines set forth herein and/or in any guidelines adopted by the Association from time to time in the Rules and Regulations (the "*Noise Requirements*"). The Board shall have the right to request that any Owner desiring to install any such improvements or equipment submit the results of a noise study prepared by a qualified acoustical consultant or firm listed with the National Council of Acoustical Consultants or another Person reasonably acceptable to the Board;

(b) *Transmission Limits.* In no event shall sound that is transmitted from the Common Elements or a Unit in which it is generated into an adjacent Unit or the Common Elements exceed a sound level in the adjacent Unit or the Common Elements of 45 dBA during the daytime hours of 7 a.m. to 10 p.m. and a sound level of 35 dBA during the nighttime hours of 10 p.m. to 7 a.m. Furthermore, sound that has a predominantly low-frequency characteristic (noticeably high sound levels below 250 Hz) that is transmitted from the Common Elements or a Unit in which it is generated into an adjacent Unit or the Common Elements shall not exceed a sound level in the adjacent Unit or the Common Elements of 50 dBC during the daytime hours of 7 a.m. to 10 p.m. and a sound level of 40 dBC during the nighttime hours of 10 p.m. to 7 a.m.;

(c) *Placement Requirements; Prohibited Devices.* Devices that create sound or vibration that can be transmitted into the Common Elements or an adjacent Unit shall not be directly attached to a wall or ceiling that separates adjacent Units or a Unit from the Common Elements, or mounted or placed on a shelf that is directly attached to a wall or ceiling that separates adjacent Units or a Unit from the Common Elements. These devices include, but are not limited to, acoustic speakers associated with a stereo or surround sound system and acoustic speakers associated with electronic instruments. These devices may be located on interior walls within a Unit. Any device that generates vibration that can be transmitted as sound into an adjacent Unit or the Common Elements through the floor/ceiling assembly separating two Units or a Unit from the Common Elements shall be placed on resilient pads. These devices include, but are not limited to, base or subwoofer speakers, pianos, organs, and aerobics exercise equipment. The resilient pad shall be a minimum ½ inch neoprene waffle load distribution plate or pad or a resilient load distribution plate or pad that will provide equivalent vibration isolation. The playing of all percussive-type instruments is prohibited in all Units. Percussive-type instruments include, but are not limited to, drums, bongos, bells, tambourines, and cymbals. The use of free weights that are used as part of an aerobic, exercise, or weight training regimen that can be dropped onto a floor that is part of a floor/ceiling assembly separating adjacent Units or a Unit from the Common Elements is prohibited in all Units. The Owner, lessee or other occupant of a Unit shall submit a written statement to the Association of its intent to install and use any of the devices covered in this Section and shall document the measures it is taking to comply with the requirements of this Section. If the Association, in its sole discretion, determines that the use of said devices is not in compliance with the requirements of this Section, then the Owner shall be prohibited from using said devices. If the Association fails to provide written notice to the Owner, lessee or occupant within a sixty (60) day period after receipt of such Owner's written statement, it shall be conclusively presumed that the Association has not approved the use of said devices;

(d) *Other Devices.* Many other devices and decorations or uses or misuses thereof, can likewise be the cause of unacceptable sound or vibration in adjacent (along side, above or below as the case may be) Units or the Common Elements, including, but not limited to, rotating, oscillating or vibrating devices. Owners are forewarned and on notice that the criteria for acoustical

privacy set forth herein shall apply for any condition resulting in annoyance and complaint by other Unit occupants within the Condominium Property;

(e) *Non-compliant Flooring.* If any flooring installation by an Owner does not comply with the sound attenuation requirements set forth herein, irrespective of any approval by the Association, the non-complying Owner shall indemnify, defend and hold harmless Declarant, the Hotel Parcel Owner Parties, the Commercial Parcel Owner and the Association from any claims for defects, damages, liabilities, costs, and/or expenses (including reasonable attorneys' fees and court costs at all trial and appellate levels) arising out of, caused by, or associated with such non-compliance;

(f) *Noise Violations.* If a complaint is made for non-compliance with the Noise Requirements or any provision of this Declaration relating to noise, the Association may retain the services of a recognized acoustical consultant to field test the area of complaint. The costs shall be chargeable to the complaining party in the event the field test shows that conditions meet the criteria of the applicable guidelines. If such field tests show non-compliance, then the costs of the testing shall be borne by the offending party and charged as a Special Assessment. In the event an Owner fails to comply with the provisions of this Section or any Noise Requirements, or any provision of this Declaration relating to noise (a "*Noise Violation*"), the Association shall have the right, after Notice and Hearing and reasonable opportunity to cure such Noise Violation as determined by the Board, pursuant to this Section, to enter into the Owner's Unit for the purpose of remedying the Noise Violation. The Association shall not be liable for trespass in connection with such entry. At any hearing on a noise issue, the Owner will have an opportunity to discuss the merits of the claims set forth in the notice of Noise Violation, and the Board will determine what action, if any, needs to be taken by the Owner to remedy the Noise Violation and the time within which it must be accomplished. The cost to the Association of remedying such Owner's failure to comply with the provisions of this Section, as well as any damages suffered by the Association with respect thereto, shall be assessed to the Owner as a Special Assessment, enforceable in the manner provided in this Declaration; and

(g) *Disclaimer.* EACH OWNER, BY ACCEPTANCE OF A DEED OR OTHERWISE ACQUIRING TITLE TO A UNIT, ACKNOWLEDGES AND AGREES THAT SOUND TRANSMISSION IN A HIGH-RISE BUILDING SUCH AS THE BUILDING IS VERY DIFFICULT TO CONTROL AND THAT NOISES FROM ADJOINING OR NEARBY UNITS, THE HOTEL PARCEL, THE COMMERCIAL PARCEL AND/OR MECHANICAL EQUIPMENT CAN OFTEN BE HEARD IN ANOTHER UNIT. DECLARANT DOES NOT MAKE ANY REPRESENTATION OR WARRANTY AS TO THE LEVEL OF SOUND TRANSMISSION BETWEEN AND AMONG UNITS AND THE OTHER PORTIONS OF THE BUILDING, AND EACH OWNER SHALL BE DEEMED TO WAIVE AND EXPRESSLY RELEASE ANY SUCH WARRANTY AND CLAIM FOR LOSS OR DAMAGES RESULTING FROM SOUND TRANSMISSION.

9.14 *Weight Restriction.* The installation in any Unit of any improvement or object having a load in excess of 40 pounds per square foot must be compatible with the overall structural design of the Building. The Association or the Hotel Parcel Owner may require a structural engineer to review certain of the proposed improvements with such a review to be at the sole cost and expense of the Owner desiring to make such installation. In the event that an Owner violates the load limitations set forth in this Section, irrespective of any approval by the Association or the Hotel Parcel Owner, the non-complying Owner shall indemnify, defend and hold harmless Declarant, the Hotel Parcel Owner

Parties and the Association from any claims for defects, damages, liabilities, costs, and/or expenses (including reasonable attorneys' fees and court costs at all trial and appellate levels) arising out of, caused by, or associated with such non-compliance.

9.15 *Shelves and Wall Hangings Within Units.* Any attached shelving or hanging pictures shall only be installed or hung with toggle bolts into the drywall which shall not penetrate such drywall more than three quarters (3/4) of an inch. Without limiting the foregoing, no Owner or other Person shall fasten shelving or hanging pictures directly to studs on walls between neighboring Units or between a Unit and the Common Elements.

9.16 *Improvements, Additions or Alterations by Declarant.* Notwithstanding anything to the contrary, the foregoing restrictions of this Article 9 shall not apply to Declarant-owned Units. Declarant shall have the unconditional right, without the consent or approval of the Board or other Owners and at Declarant's own expense, to make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary, in, to and upon any Unit owned by it and the Common Elements appurtenant thereto (including, without limitation, the removal of walls, floors, ceilings and other structural portions of the Improvements). Any amendment to this Article 9 shall require the prior written consent of Declarant. The rights herein reserved are part of the Developmental Rights.

9.17 *Consent of Hotel Parcel Owner.* Notwithstanding anything in this Article 9 to the contrary, the consent or approval of the Hotel Parcel Owner may be required before any addition, alteration or improvement may be performed which in any way affects or impairs the Hotel Parcel or any portion thereof as provided in the Reciprocal Easement Agreement. The Reciprocal Easement Agreement may place other limitations and/or restrictions on the Owners' ability to perform additions, alterations or improvements to the Units.

10. *Use Restrictions.* All of the Condominium Property shall be held, used and enjoyed subject to the following limitations and restrictions and the exemptions of the Declarant set forth in this Declaration.

10.1 *Rules and Regulations.* In addition to the restrictions set forth in this Article 10, the Board may, from time to time, adopt, amend and enforce rules and regulations relating to the governance of the Condominium Property and the use of the Common Elements and Units. Such Rules and Regulations shall become effective thirty (30) days after they are distributed to an Owner.

10.2 *Occupancy.* Each Unit shall be used as a single family residence only, whether for permanent or temporary use, except as otherwise herein expressly provided, and in accordance with all applicable county and state codes, ordinances and regulations. A Unit may only be occupied by the following Persons, and such Persons' Families: (i) the individual Owner, (ii) an officer, director, stockholder, employee or designee of an Owner that is a corporation, (iii) a member, manager, employee or designee of an Owner that is a limited liability company, (iv) a partner, employee or designee of an Owner that is a partnership, (v) the fiduciary or beneficiary or designee of an Owner that is a trust, or (vi) permitted occupants under an approved lease of a Unit, as the case may be. Occupants of an approved leased Unit must consist of the following Persons, and such Persons' Families who reside with them: (A) an individual lessee, (B) an officer, director, stockholder, employee or designee of a corporate lessee, (C) a member, manager, employee or designee of such limited liability company lessee, (D) a partner, employee or designee of such partnership lessee, or (E) the fiduciary or beneficiary or designee of a

fiduciary lessee. Under no circumstances may more than one Family reside in a Unit at one time. Subject to applicable law, in no event shall occupancy (except for temporary occupancy by visiting guests) exceed two (2) persons per bedroom. The Board shall have the power to authorize the occupancy of a Unit by Persons in addition to those set forth above. The provisions of this Section 10.2 shall not be applicable to Units used by the Declarant for model units, sales or resales offices or management or administrative services. As used in this Section 10.2, "*guests*" or words of similar import shall include only those Persons who are not the Unit's Owner and who have a principal residence other than the Unit. Unless otherwise determined by the Board, a Person or Persons occupying a Unit for more than one month without the Owner or the Owner's Family being present shall not be deemed a guest, but, rather, shall be deemed a lessee for the purposes of this Declaration (regardless of whether a lease exists or rent is paid) and shall be subject to the provisions of this Declaration which apply to lessees. The purpose of the preceding sentence is to prohibit the circumvention of the provisions and intent of this Section 10.2, and the Board shall enforce, and the Owners shall comply with, the same with due regard for such purpose. Children shall be permitted to reside in Units, subject to the above provisions and provided that children under the age of 14 must be supervised at all times when upon the Common Elements or any portion of the Hotel Parcel.

10.3 *Parking*. Parking will be by valet only on a "first-come first-served" basis in an area that is not part of the Condominium Property and will be subject to and governed by a parking easement agreement and the Reciprocal Easement Agreement and the restrictions and payment obligations provided therein.

10.4 *Nuisances*. Subject to Section 10.8 of this Declaration, no rubbish or debris of any kind shall be placed or permitted to accumulate anywhere within the Condominium Property, and no odor shall be permitted to arise therefrom so as to render the Condominium Property or any portion thereof unsanitary, unsightly, or offensive. No noise or other nuisance shall be permitted to exist or operate upon any portion of the Common Elements or a Unit so as to be offensive or detrimental to any portion of the Common Elements or any other Unit or to the occupants, guests, licensees or invitees of the foregoing. Without limiting the generality of any of the foregoing provisions and subject to Article 9 of this Declaration, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, large power equipment or large power tools or other items which may unreasonably disturb other Owners or the Owners' Permittees shall be located, used or placed on any portion of the Condominium Property without the prior written approval of the Board. Notwithstanding the foregoing, no activity specifically permitted by the Declarant, Hotel Parcel Owner or the Commercial Parcel Owner in this Declaration shall be deemed a nuisance, regardless of any noises and/or odors emanating therefrom (except, however, to the extent that such odors and/or noises exceed limits permitted by applicable law). By accepting a deed to a Unit, each Owner acknowledges that the Condominium Property is adjacent to other hotel/casino, condominium, hotel/condominium and retail/entertainment facilities including, but not limited to, the Hotel and the retail and/or commercial facilities located on the Commercial Parcel, and that noise, lights and odors common to such activities and related commercial activities, as well as construction activities, may exist on or near the Condominium Property, at any time and from time to time.

EACH OWNER, BY ACCEPTANCE OF A DEED OR OTHERWISE ACQUIRING TITLE TO A UNIT SHALL BE DEEMED TO UNDERSTAND AND AGREE THAT IT IS INTENDED (WITHOUT CREATING ANY OBLIGATION) THAT RESTAURANTS, CAFES, BAKERIES AND/OR OTHER FOOD SERVICE OPERATIONS MAY BE OPERATED FROM THE BUILDING AND THAT SUCH OPERATIONS MAY RESULT IN

THE CREATION OF ODORS WHICH MAY AFFECT ALL PORTIONS OF THE CONDOMINIUM PROPERTY, INCLUDING THE UNITS AND COMMON ELEMENTS. ACCORDINGLY, EACH OWNER AGREES (1) THAT SUCH ODORS SHALL NOT BE DEEMED A NUISANCE HEREUNDER, (2) THAT NONE OF DECLARANT, HOTEL PARCEL OWNER, HOTEL OPERATOR, OR ANY OWNER, TENANT AND/OR OPERATOR OF PROPERTY WITHIN THE PROJECT SHALL BE LIABLE FOR THE EMANATION OF SUCH ODORS AND/OR ANY DAMAGES RESULTING THEREFROM, AND (3) TO HAVE RELEASED DECLARANT, HOTEL PARCEL OWNER, HOTEL OPERATOR, COMMERCIAL PARCEL OWNER OR ANY OWNER, TENANT AND/OR OPERATOR OF PROPERTY WITHIN THE PROJECT FROM ANY AND ALL LIABILITY RESULTING FROM SAME.

SIMILARLY, INASMUCH AS SUCH ACTIVITIES MAY ATTRACT CUSTOMERS, PATRONS AND/OR GUESTS WHO ARE NOT MEMBERS OF THE ASSOCIATION, SUCH ADDITIONAL TRAFFIC OVER, ACROSS AND UPON THE COMMON ELEMENTS LOCATED ON THE CONDOMINIUM PROPERTY SHALL NOT BE DEEMED A NUISANCE HEREUNDER.

NEW DEVELOPMENTS, INCLUDING ADDITIONAL HOTEL, CONDOMINIUM, CONDOMINIUM/HOTEL, TIMESHARE OR HOTEL/CASINO COMPONENTS AND/OR RETAIL AND ENTERTAINMENT DEVELOPMENTS MAY BE CONSTRUCTED IN THE PROJECT AND EXISTING FACILITIES MAY UNDERGO RECONSTRUCTION FROM TIME TO TIME, AND SUCH CONSTRUCTION AND RECONSTRUCTION MAY CAUSE PERIODS OF EXTRA NOISE, EARTH VIBRATION AND DUST, AS WELL AS RECONFIGURATION OF LANDSCAPING, PARKING AND OTHER DEVELOPMENT RELATED CONDITIONS. EACH OWNER AGREES THAT SUCH ACTIVITIES AND/OR CONDITIONS SHALL NOT BE DEEMED A NUISANCE HEREUNDER.

10.5 *Window Coverings.* An Owner may install or cause to be installed in such Owner's Unit such window coverings as are permitted in accordance with the terms and conditions of the Controlling Documents including the Reciprocal Easement Agreement and the Resort Property Easement Agreements. No Owner may make any alteration to the window coverings in a Unit which will, in the sole and exclusive determination of the Hotel Parcel Owner, cause the Unit's appearance to differ materially from Units with the window coverings allowed pursuant to the Controlling Documents including the Reciprocal Easement Agreement and the Resort Property Easement Agreements without the written consent of the Resort Owner, Hotel Parcel Owner and the approval of not less than two-thirds (2/3) of the Board.

10.6 *Signs.* Except to the minimum extent required to be allowed by applicable law and except as otherwise provided in this Declaration, no sign, poster, billboard, flag, advertising device or other display of any kind shall be displayed without the pre-approval of the Association. No flag of the United States or political sign may be displayed in a manner that would cause such flag or sign to be visible from the exterior of any Unit except to the minimum extent required to be allowed by applicable law. The Board may not adopt any rules and/or regulations concerning the display of signs on the Condominium Property which expand or increase the rights and limitations of this Section 10.6 or applicable law.

10.7 *Antennas, Satellite Dishes.* Satellite dishes, aerials and antennas and all lines and equipment related thereto located wholly within the physical boundaries of Units and which are not visible from outside the Condominium Property or the Building shall be permitted without any requirement for approval from the Board. Satellite dishes, aerials and antennas shall not be permitted on the Common Elements or the Hotel Parcel except to the minimum extent required to be allowed by applicable law. Declarant may grant easements and/or licenses over and upon the Condominium Property for maintenance of any such satellite dishes, antenna or aerial, or master antenna system or cable television service. The restrictions in this Section 10.7 shall not apply to any satellite dish, antenna or aerial, or master antenna system or cable television service installed by the Declarant and/or the Hotel Parcel Owner.

10.8 *Unsightly Articles.* No unsightly articles shall be permitted to remain upon or within any Unit, Limited Common Element or Common Elements so as to be visible from any other portion of the Condominium Property or from anywhere else in the Building. Trash and other garbage shall be regularly removed from each Unit and shall not be allowed to accumulate therein. No refuse container shall be placed by an Owner in or on the Common Elements or anywhere else in the Building. Trash shall be placed in a trash chute or designated area, if any, as required by the Association or as set forth in the Rules and Regulations, so as not to create a mess around the trash chute or designated trash collection area. Recyclable materials shall be placed in such areas as are designated by the Board. Garbage which is too big for any trash chute shall be removed by the Owner at the Owner's sole expense.

10.9 *Pets.* Except for fish, there shall be allowed no more than two (2) household pets in a Unit with an aggregate weight not to exceed eighty (80) pounds; *provided, however,* that said pets may consist only of domesticated dogs, domesticated cats and fish and may not be kept, bred, or maintained for any commercial purpose and may not be kept in any Unit after such time as the Hotel Parcel Owner or the Board notifies the Owner of such Unit that said pets have become, in the reasonable determination of the Hotel Parcel Owner and/or the Board, a nuisance or annoyance to the Hotel Parcel Owner, Commercial Parcel Owner, any other Owner, and/or any of their guests, tenants, occupants, licensees, invitees, agents, servants, contractors or subcontractors. All pets must be registered and approved in writing by the Board, which approval may be given or withheld in the sole discretion of the Board. Owners must immediately pick up all solid waste of their pets and dispose of such waste appropriately. All individual pets, including cats, must be leashed at all times when outside a Unit. No reptiles, birds or other forms of wildlife shall be kept in or on the Condominium Property (including the Units). Violations of the provisions of this Section 10.9 shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Owners (as provided in any applicable Rules and Regulations) and/or to require any pet to be permanently removed from the Condominium Property. Notwithstanding the foregoing, prior to the installation of a fish tank exceeding fifty-five (55) gallons in volume, an Owner must deliver plans for such tank to the Hotel Parcel Owner and to the Board for their written approval, which approval may be withheld in each of their sole and absolute discretion.

10.10 *Business or Commercial Activity.* No part of the Units shall ever be used for any business, commercial (including auctions or similar events), manufacturing, mercantile, storage, vending or other nonresidential purposes, including, without limitation, any activity for which the provider is compensated in any way or receives any form of consideration, regardless of whether the activity is engaged in full or part-time, generates or does not generate a profit, or requires or does not require a license; *provided, however,* that Declarant, its agents, successors and assigns may use any portion of the Condominium Property for model Unit site(s) and display and sales and leasing offices. The provisions of

this Section 10.10 shall not preclude any of the above-described activities, provided that all of the following conditions are fulfilled: (i) such activities are conducted in conformance with all applicable governmental ordinances; (ii) the patrons or clientele of such activities do not visit the Unit or in any way utilize any parking facilities within the Project; (iii) the existence or operation of such activities is not apparent or detectable by sight, sound or smell from outside of the boundaries of the Unit; (iv) no such activity increases the liability or casualty insurance obligation or premium of the Association, the Manager, the Hotel Operator, the Hotel Parcel Owner or the Declarant; (v) such activities do not involve the provision of Residential Services within the Building, or the provision of any other services and/or amenities whatsoever in the Building; (vi) such activities are not in any way competitive with, or analogous to, any business activities conducted within the Building by the Manager, the Hotel Operator, or any business and/or entity whatsoever doing business within the Hotel Parcel or the Commercial Parcel; and (vii) such activities are consistent with the residential character of the Condominium Property and conform with the provisions of this Declaration and the other Controlling Documents.

10.11 *No Improper Uses.* No improper, offensive, hazardous or unlawful use shall be made of the Condominium Property or Association Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover, relating to any portion of the Condominium and/or Association Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of the Governing Documents, the Declarant, the Association and the Hotel Parcel Owner shall not be liable to any person(s) for its failure to enforce the provisions of this Section 10.11. No activity specifically permitted by the Declarant, Hotel Parcel Owner or the Commercial Parcel Owner in this Declaration shall be deemed to be a violation of this Section.

10.12 *No Further Subdivision; Timesharing; Exchange Programs.* No non-Declarant Owner may further subdivide a Unit without the prior written approval of the Association and the Hotel Parcel Owner; *provided, however*, that nothing in this Section 10.12 shall be deemed to prevent an Owner from, or require the approval of the Association or the Hotel Parcel Owner for (a) selling a Unit; (b) transferring or selling any Unit to more than one (1) Person to be held by them as tenants in common, joint tenants, tenants by the entirety or as community property; or (c) the leasing or renting by any Owner of all of such Owner's Unit in accordance with the provisions of this Declaration and the other Controlling Documents. No Unit shall be made subject to any type of timesharing, fraction sharing, point based program, right-to-use program, exchange program, travel and/or vacation club, destination club, luxury club or other similar program whereby the right to exclusive use of the Unit rotates among other Owners, participants or members of the program regardless of the mechanism utilized for enabling such rotation. The Declarant hereby expressly reserves the right to replat or subdivide any Unit or Units owned by the Declarant.

10.13 *Water and Sewer Systems.* No exterior individual water supply system, water softener system, water conditioner system or sewage disposal system shall be permitted anywhere on the Condominium Property unless previously approved in writing by the Board and the Hotel Parcel Owner, and such system is designed, located, constructed and equipped in accordance with the requirements, standards, and recommendations of the applicable water or sewer district and any applicable governmental health authority having jurisdiction.

10.14 *Exterior Improvements.* Each Owner and the Association acknowledge and agree that the exterior skin of the Building is not part of the Condominium Property. As such, neither the Owners nor the Association may cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors or windows of the Building (including, but not limited to, awnings, signs, storm shutters, screens, window tinting, furniture, fixtures and equipment). All improvements, maintenance and repair of the exterior of the Building shall be performed at the sole discretion of the Hotel Parcel Owner as provided in the Reciprocal Easement Agreement. The Owners and the Association shall be responsible for their pro rata share of the expenses related to such improvement, maintenance and repair.

10.15 *Air Conditioning Units.* No window air conditioning unit may be installed in a Unit.

10.16 *Relief Warranties.* The Association shall have the power, but not the obligation, to grant relief in particular circumstances from the provisions of specific restrictions contained in this Article 10 for good cause; *provided, however*, no such relief can be granted without the Hotel Parcel Owner's consent. APPLICABLE WARRANTIES OF THE DECLARANT, IF ANY, MAY BE VOIDED BY VIOLATION OF THESE RESTRICTIONS.

10.17 *Open Flame Prohibition.* Any open flames, hot plates and space heaters within a Unit are expressly prohibited.

10.18 *Leases.* Subject to the terms and conditions in this Section 10.18, an Owner may lease his, her or its Unit no more than twice per calendar year for a minimum lease term of six (6) months. No portion of a Unit (other than the entire Unit) may be rented. All leases of Units shall be in writing and shall provide, or be deemed to provide, that the Board shall have the right to terminate the lease upon default by the tenant in observing any provisions of the Governing Documents, or other applicable provisions of any agreement, documents or instrument governing the Unit. The Board shall have the right to require of all tenants of a Unit that they deposit in escrow with the Association an amount not to exceed one (1) month's rental fee paid for the Unit. Said deposit may be used by the Association to repair any damage to the Common Elements or any other property located within the Condominium Property or to pay any fines resulting from acts or omissions by the tenants (as determined in the sole discretion of the Association). Regardless of whether or not expressed in the applicable lease, all Owners shall be jointly and severally liable with the tenants of such Unit to the Association for any amount which is required by the Association to effect repairs to the Common Elements or to pay any claim for any injury or damage to property caused by the negligence of the tenant of such Unit or for the acts or omissions of the tenant(s) of such Unit which constitute a violation of, or non-compliance with, the provisions of any of the Controlling Documents. All leases shall comply with and be subject to the provisions of the Governing Documents and the provisions of same shall be deemed expressly incorporated into any lease of a Unit. This Section shall also apply to assignments and renewals of leases. Upon entering into an agreement for the lease of a Unit, a non-Declarant Owner or its agent shall provide written notice to the Board, or its designee, of the lease agreement and furnish the names of the lessee to the Board and shall deliver a copy of the Controlling Documents to the lessee.

10.19 *Sale of Unit to Prospective Purchaser.* Upon entering into an agreement for the sale of a Unit, a non-Declarant Owner and the Association shall comply with all provisions of the Act with respect to the resale of units.

10.20 *Notice Regarding Water Intrusion.* Notwithstanding any other provision herein, if there shall be intrusion of water into any Unit or any part of the Common Elements (including, without limitation, as a result of any roof, window, siding or other leaks, including, without limitation, plumbing leaks), the Board with respect to any affected Common Element and the Owner of any affected Unit shall be obligated, if such event occurs during Declarant's Period of Control, to immediately notify Declarant, and if such event occurs after Declarant's Period of Control, to immediately notify the Association and the Hotel Parcel Owner, of such event, and, at any time, the Board and Owner, as applicable, shall take all necessary and appropriate action to stop any such water intrusion. Declarant shall thereafter have the right to inspect the condition, including the right to assess the likelihood of mold or mildew, and to offer recommendations for mitigation of mold or mildew. Nothing herein shall obligate Declarant to take any action, nor shall any rights of Declarant under this Section constitute an admission or acknowledgment that any causes of any water intrusion are the result of defective or negligent construction, maintenance, operation or management. Failure of the Board or any Owner to timely notify Declarant, the Association and the Hotel Parcel Owner of any such water intrusion shall be cause to deny future claims against Declarant relating thereto, which claims could have been mitigated had earlier action been taken. ANY AND ALL CONDITIONS WITHIN THE UNITS AND THE COMMON ELEMENTS WHICH INVOLVE WATER DAMAGE, OR THE POTENTIAL FOR WATER DAMAGE, WITHIN OR TO THE UNITS AND THE COMMON ELEMENTS, SUCH AS A PLUMBING LEAK OR BREAK, OR ROOF OR WINDOW LEAK, ARE EMERGENCIES. THE ASSOCIATION, THE BOARD, EACH OWNER, AND ALL PERSONS CLAIMING UNDER EACH OWNER, SHALL CONCLUSIVELY BE DEEMED TO HAVE ACKNOWLEDGED AND AGREED TO NOTIFY THE MANAGER AND DECLARANT IMMEDIATELY BY TELEPHONE AS TO ANY AND ALL SUCH CONDITIONS. UPON DISCOVERY OF ANY SUCH EMERGENCY CONDITION, THE ASSOCIATION, THE BOARD AND EACH OWNER ALSO AGREES TO ALLOW DECLARANT, THE ASSOCIATION AND/OR THE HOTEL PARCEL OWNER AND THEIR RESPECTIVE EMPLOYEES, AGENTS, CONTRACTORS AND CONSULTANTS IMMEDIATE ACCESS TO THE UNIT AND THE COMMON ELEMENTS IN ORDER TO INSPECT AND/OR TEST AND TO TAKE ALL STEPS DECLARANT, THE ASSOCIATION AND/OR THE HOTEL PARCEL OWNER DEEMS NECESSARY TO REPAIR ANY SUCH CONDITION, AS WELL AS TO REMOVE AND/OR REPLACE ANY AND ALL COMPONENTS OR MATERIALS CAUSING DAMAGE OR DAMAGED BY SUCH CONDITION, INCLUDING WITHOUT LIMITATION, REMOVAL OF WET DRYWALL, SHEETROCK, TRIM, TACK STRIP, CARPET, CARPET PAD AND FLOORING MATERIAL.

10.21 *Effect on Declarant, Hotel Parcel Owner and Commercial Parcel Owner.* Unless otherwise stated expressly in this Declaration, the restrictions and limitations set forth in this Article 10 shall not apply to the Hotel Parcel Owner, Commercial Parcel Owner, Declarant nor to Units owned by the Declarant.

10.22 *Compliance with Controlling Documents.* Notwithstanding anything in this Declaration to the contrary, the Declarant, the Association and the Owners shall, in all cases, comply with, and any use and/or occupancy of the Common Elements and any Unit shall be subject to, the restrictions, conditions and covenants set forth in the Controlling Documents and any rules or regulations adopted and enforced thereunder, as the same may be amended from time to time.

11. *Resale Restrictions.* The resale of a Unit shall be restricted in accordance with any agreement by and between the Declarant and an Owner (a "Resale Restriction Agreement"). A Resale

Restriction Agreement may include, but is not limited to, provisions providing for: (a) a limitation or prohibition on the amount of profit an Owner may receive upon resale; (b) a time period during which an Owner may not sell, transfer, assign or lease its Unit; (c) a time period during which an Owner may not advertise or list the Unit for sale; and/or (d) a right of first refusal in favor of Declarant.

12. *Insurance.*

12.1 *Policies to be Obtained by Owners.*

(a) *Required Policies.* Each Owner shall be responsible to obtain and maintain insurance coverage for the property lying within the boundaries of the Unit, including, but not limited to, insurance covering the Owner's personal property, furniture, fixtures, Improvements and the Owners' personal liability and living expenses, and for any other risks not otherwise insured in accordance with this Article 12. The effective date of such insurance must be no later than the date and time upon on which a Unit is conveyed to the Owner and must be maintained at the Owner's sole cost and expense throughout the term of this Declaration. Insurance required by this Section must have limits of not less than one million dollars (\$1,000,000.00) combined single limit for injury or death to person or damage to property accruing in the Owner's Unit. Except as specifically provided herein, the Association shall not be responsible to Owners to obtain insurance coverage upon the property lying within the boundaries of their Unit.

(b) *Additional Insured.* The Hotel Parcel Owner, the Hotel Operator, the Commercial Parcel Owner, the Association, the Manager and any other managing agents of the Association, and the holders of any Mortgage on a Unit (or any leasehold interest therein) must be included as additional insureds on all policies of insurance required by this Section 12.1.

(c) *Copies to Hotel Parcel Owner and Association.* One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished to the Hotel Parcel Owner and the Association. Copies or certificates shall be furnished not less than three (3) days prior to the beginning of the term of the policy, or not less than three (3) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate. In the event an Owner fails to obtain or maintain any insurance policy required to be obtained or maintained under this Section 12.1, the Association may procure such policy or policies of insurance and charge the cost of the same to such Owner as a Special Assessment.

12.2 *Policies to be Obtained by the Association.* The Association shall obtain and maintain insurance covering the interest of the Association, the Board and all Owners as follows:

(a) *Property.* Property insurance insuring the entire Condominium Property, including each Unit, together with all fixtures, furniture, building service equipment, personal property and supplies (collectively, the "*Insured Property*"), shall be obtained by the Association for the full replacement cost of the Insured Property. Notwithstanding the foregoing, the Insured Property shall not include any furniture, fixtures, furnishings, floor coverings, wall coverings and ceiling coverings, other personal property located within a Unit or owned, supplied or installed by Owners or other occupants of a Unit, and all electrical fixtures, appliances, air conditioning and heating equipment and water heaters to the extent such are not part of the Common Elements. Such policies may contain reasonable deductible provisions as determined by the Association. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a Special Cause of Loss coverage

form (excluding terrorism insurance), and such other risks as from time to time are customarily covered by a standard "all risk" endorsement with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief, and the cost of demolition and debris removal.

(b) *Liability.* Comprehensive liability coverage, including death, bodily injury and property damage, general public liability and automobile liability insurance, including insurance for medical payments, arising out of or in connection with the use, ownership and maintenance of the Insured Property. The minimum limits of such policies shall be as follows:

Each Occurrence: \$25,000,000

(c) *Worker's Compensation.* Worker's Compensation and other mandatory insurance required by the State of Nevada, when applicable, as follows:

Worker's Compensation: Statutory

Each Accident: \$1,000,000

Disease (each employee): \$1,000,000

Disease (policy limit): \$1,000,000

(d) *Fidelity Bonds.* Fidelity bond coverage which names the Association as an obligee must be obtained by or on behalf of the Association for any Person handling funds of

the Association, including, but not limited to, officers, directors, trustees, employees and agents of the Association and employees of the Manager, whether or not such Persons are compensated for their services, in an amount not less than the estimated maximum of funds, including Reserve Funds, in the custody of the Association or the Manager, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than \$250,000.

(e) *Directors and Officers Liability.* Such insurance providing coverage on a claims made basis for all members of the Board or other officers of the Association. Such policy or policies may contain reasonable retention provisions as determined by the Association.

(f) *Additional Insurance.* Such other insurance shall be obtained as the Board shall determine from time to time to be desirable in connection with the Common Elements. The Board may, from time to time, require and/or obtain higher amounts, additional coverage and/or additional terms of insurance that exceed any limits established in the Act or this Declaration.

The policies required or obtained pursuant to this Section 12.2 shall name as additional insureds the Hotel Parcel Owner, the Hotel Operator, the Commercial Parcel Owner, each Owner, the Manager and any other managing agents of the Association and the holders of any Mortgage on the Insured Property. When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) as to property insurance policies, subrogation against the Association and against the Owners individually and as a group; (ii) pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk; and (iii) avoid liability for a loss that is caused by an act of the Hotel Parcel Owner (or any of its employees, contractors and/or agents), one or more Owners or as a result of contractual undertakings. Additionally, each policy shall provide that the insurance provided shall not be prejudiced by any act or omissions of individual Owners that are not under the control of the Association. Each policy shall also provide, to the extent reasonably available, that such policy maintained by an Owner or the Association (as applicable) provides primary coverage in the event such party has a policy covering the same risk. Each insurance policy required or obtained pursuant to this Section 12.2 shall be placed with insurers duly licensed or approved unlicensed companies in the State of Nevada and with a Best's rating of no less than A-VII.

12.3 *Additional Provisions.* To the extent practicable, all policies of insurance shall provide that such policies may not be canceled or substantially modified without at least sixty (60) days' prior written notice to all of the named insureds, including all Mortgagees. Prior to obtaining any policy of casualty insurance or any renewal thereof, the Association may obtain an appraisal from a fire insurance company, or other competent appraiser, of the full insurable replacement value of the Insured Property (exclusive of foundations), without deduction for depreciation, for the purpose of determining the amount of insurance to be effected pursuant to this Section. The insurance coverage requirements set forth in this Article 12 provide the minimum level of acceptable coverage. Owners, the Hotel Parcel Owner or the Association (if applicable) may obtain coverage above the minimum requirements as such parties may determine necessary. Declarant makes no representation or warranty that the minimum amount of insurance required pursuant to this Declaration will be sufficient to protect any Owner, the Hotel Parcel Owner or the Association (if applicable) from any liabilities in excess of policy limits.

12.4 *Premiums.* Insurance premiums for any blanket insurance coverage obtained by the Association and any other insurance deemed necessary by the Board and deductibles required under such policies shall be a Common Expense to be included in the Annual Assessments levied by the Association and collected from the Owners. That portion of the Annual Assessments necessary for the required insurance premiums shall be separately accounted for by the Association in the Reserve Funds, to be used solely for the payment of premiums of required insurance as such premiums become due.

12.5 *Trustee for Policies.* The Association, through its Board, is hereby appointed and shall be deemed trustee of the interests of all named insureds under policies of insurance purchased and maintained by the Association. All insurance proceeds under any such policies as provided for in Section 12.2 of this Declaration shall be paid to the Board as trustees. The Board shall have full power to receive and to receipt for the proceeds and to deal therewith as provided herein. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried or otherwise held in trust for the Association, Hotel Parcel Owner, Hotel Operator, Commercial Parcel Owner and Owners and lien holders as their interests may appear. The Board is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers, with participation, to the extent they desire, of Mortgagees in first lien position who have filed written requests within ten days of receipt of notice of any damage or destruction. Any two officers of the Association may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signatures shall be binding on all the named insureds. A representative chosen by the Board may be named as an insured, including a trustee with whom the Association may enter into an insurance trust agreement or any successor to such trustee, who shall have exclusive authority to negotiate losses under any policy providing property or liability insurance and to perform such other functions necessary to accomplish this purpose.

12.6 *Distribution of Proceeds.* Proceeds of insurance policies required to be maintained by the Association pursuant to this Article 12 shall be distributed to or for the benefit of the beneficial owners thereof in the following manner: If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the Owners, remittances to Owners and their Mortgagees being payable jointly to them.

12.7 *Owners' Personal Coverage.* The insurance required to be purchased by the Association pursuant to this Article 12 shall not cover claims against an Owner due to accidents occurring within such Owner's Unit, nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Owner to purchase and pay for insurance as to all such and other risks not covered by insurance required to be carried by the Association hereunder.

12.8 *Benefit of Mortgagees.* Certain provisions in this Article 12 entitled "*Insurance*" are for the benefit of Mortgagees of Units and may be enforced by such Mortgagees.

13. *Determination to Reconstruct or Repair.*

13.1 *Determination to Reconstruct or Repair.* With respect to any determination as to repair or replacement after fire or other casualty, the Hotel Parcel Owner shall make all determination with respect to the Hotel Parcel and the Members of the Association shall make all determination with

respect to the Common Elements. Notwithstanding anything in this Article 13 to the contrary, each Owner, by acceptance of a deed to a Unit, agrees and acknowledges that the Declarant and/or the Hotel Parcel Owner own the Building other than the Condominium Property and the right of the Association to repair or reconstruct the Common Elements and/or the Units is subject to and limited by the rights of the Declarant and Hotel Parcel Owner. The Declarant and Hotel Parcel Owner shall have the sole discretion to determine whether to repair or replace the Hotel Parcel or any other property owned by them. In the event of the total or partial destruction of the Building or any portion of the Hotel Parcel, the Declarant and/or Hotel Parcel Owner may determine not to reconstruct or repair the Hotel Parcel. In such event, the Association and the Owners may not be able to reconstruct or repair the Common Elements and/or the Units and the net proceeds of all insurance policies maintained by the Association for such reconstruction or repair shall be divided among all the Owners in proportion to their Allocated Interests after payment of all Mortgages and liens on the Common Elements and the Units and all right, title and interest of the Association and the Owners in and to the Condominium Property, including the Units, shall terminate and revert back to Declarant.

13.2 Destruction of Common Elements. In the event of any destruction of any portion of the Common Elements, the repair or replacement of which is the responsibility of the Association, it shall be the duty of the Association to restore and repair the same to its former condition, as promptly as practical. The proceeds of any insurance maintained pursuant to Article 13 of this Declaration for reconstruction or repair of the Common Elements and/or the Units shall be used for such purpose, unless (a) the Condominium is terminated; (b) repair or restoration would be illegal under any state or local statute or ordinance governing health or safety; or (c) Owners holding at least eighty percent (80%) of the Units in the Association vote not to rebuild (unless the Reciprocal Easement Agreement requires the same to be rebuilt). The Board shall be authorized to have prepared the necessary documents to effect such reconstruction as promptly as practical. With respect to the Common Elements, any remaining insurance proceeds shall be distributed to Owners holding an interest in such Common Elements in proportion to the interest held. Notwithstanding anything herein to the contrary, if the Hotel Parcel Owner elects to reconstruct or repair the Hotel Parcel as provided in Section 13.1 above, then the Association must reconstruct or repair the Common Elements and the Units as provided in this Article 13.

13.3 Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original Improvements and then applicable building and other codes. With respect to the Insured Property, if the reconstruction or repair is not made in accordance with the original plans and specifications and the building code in effect at the time of the original construction, such reconstruction or repair must be made in accordance with the plans and specifications approved by the Hotel Parcel Owner; *provided, however*, that if any reconstruction is undertaken, it shall be undertaken in such a manner to restore the Units to substantially the same condition they were in prior to the occurrence of the casualty.

13.4 Capital Improvement Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Capital Improvement Assessments shall be made against the Owners by the Association (which shall be deemed to be assessments made in accordance with, and secured by the lien rights contained in, Section 7.6 above, as applicable) in sufficient amounts to provide funds for the payment of such costs. With respect to the Insured Property, Capital

Improvement Assessments on account of damage to the Insured Property shall be in proportion to all of the Owners' respective Allocated Interests.

13.5 *Unit Damage.* Restoration and repair of any damage to any individual Unit shall be made by and at the individual expense of the Owner of the Unit so damaged, except to the extent such damage is covered by insurance maintained by the Association. In the event of a determination to rebuild the Improvements on the Condominium Property after partial or total destruction, as provided in this Article 13, such repair and restoration shall be completed as promptly, as practical and in a lawful and workmanlike manner, in accordance with the original plans for the Unit.

13.6 *Benefit of Mortgagees.* Certain provisions in this Article 13 are for the benefit of Mortgagees of Units and may be enforced by any of them.

14. Eminent Domain. The term "taking" as used in this Article 14 shall mean condemnation by exercise of the power of eminent domain or by sale under threat of the exercise of the power of eminent domain. The Board shall represent the Owners in any proceedings, negotiations, settlements, or agreements regarding takings. All takings proceeds shall be payable to the Association for the benefit of the Owners and their Mortgagees, and shall be distributed to such Owners and Mortgagees as provided in this Article 14.

14.1 *Condemnation of Common Elements.* If there is a taking of all or any portion of the Common Elements (other than Limited Common Elements), or any interest therein, other than the taking of an undivided interest therein taken as a result of the taking of a Unit, then the award in condemnation shall be paid to the Association and shall be deposited in the Reserve Fund.

14.2 *Condemnation of Limited Common Elements.* If there is a taking of all or any portion of a Limited Common Element which is not taken in connection with the taking of all or any portion of the Unit to which it is appurtenant, the award in condemnation shall be paid to the Owner(s) of the Unit(s) to which the taken Limited Common Element was appurtenant; *provided, however,* that such award shall first be applied to the balance then due on any Mortgages encumbering such Unit(s), in order of priority.

14.3 *Condemnation of Units.* If there is a taking of a Unit, the award in condemnation shall be paid to the Owner of the Unit; *provided, however,* that such award shall first be applied to the balance then due on any liens encumbering such Unit, in order of priority.

14.4 *Portions of Awards in Condemnation Not Compensatory for Value of Real Property.* Those portions of awards in condemnation which do not directly compensate the Owners for takings of real property (e.g., awards for takings of personal property, relocation expenses, moving expenses, or other allowances of a similar nature intended to facilitate relocation) shall be paid to the Owners whose personal property is taken, or whose relocation is intended to be facilitated.

14.5 *Notice to Owners and Eligible Mortgagees.* The Board, upon learning of any taking affecting a material portion of the Condominium Property or Improvements thereon, or any threat thereof, shall promptly notify all Owners and Eligible Mortgagees. The Board, upon learning of any taking affecting a Unit, or any threat thereof, shall promptly notify any Eligible Mortgagee.

15. Mortgagees.

15.1 *Eligible Mortgagees.* Any Mortgagee in a first lien position on a Unit shall be entitled to become an "*Eligible Mortgagee*" by notifying the Association of its name, address and the address of the Unit encumbered by the Mortgage which it holds. Any holder of a Mortgage in a first lien position who does not so request notice, shall not be deemed to be an Eligible Mortgagee under the terms of this Declaration and shall not be entitled to any notices from the Association.

15.2 *Rights of Mortgagees.* Notwithstanding any other provision of this Declaration, no amendment or violation of this Declaration shall operate to defeat or render invalid the rights of any Mortgagee under any Mortgage upon one or more Units made in good faith and for value, provided that after the foreclosure of any such Deed of Trust, such Unit(s) shall remain subject to this Declaration as amended. For purposes of any provision of the Governing Documents which require the vote, consent or approval of a specified percentage of Eligible Mortgagees, such vote or approval shall be determined based upon the Allocated Interest for each Unit encumbered by each such Mortgagee in a first lien position and the consent or approval of any Mortgagee shall be deemed given if such Mortgagee has not responded to any notice delivered as provided in this Declaration within sixty (60) days of delivery. In order to induce Eligible Mortgagees to participate in the financing of the sale of Units, the following provisions are added hereto (and to the extent the provisions set forth in this Section 15.2 conflict with any other provisions of the Governing Documents, these added provisions shall control):

(a) Each Eligible Mortgagee is entitled to written notification from the Association of: (i) any condemnation or casualty loss which affects either a material portion of the Condominium Property or the Unit(s) in which the Eligible Mortgagee has a security interest; (ii) any delinquency of sixty (60) days or more in the performance of any material obligation under the Governing Documents including, without limitation, the payment of Assessments or charges owed by the Owner(s) of the Unit(s) in which the Eligible Mortgagee has a security interest, which notice each Owner hereby consents to and authorizes; (iii) a lapse, cancellation, or material modification of any policy of insurance or fidelity bond maintained by the Association; and (iv) any proposed action of the Association which requires consent by a specified percentage of Eligible Mortgagees.

(b) Each Mortgagee who obtains title to a Unit pursuant to the remedies provided in the Mortgagee's Mortgage, or by foreclosure of the Mortgage, or by deed or assignment in lieu of foreclosure, shall be exempt from any "right of first refusal" created or purported to be created by the Governing Documents, including as set forth in Article 11 of this Declaration.

(c) Subject to the lien rights of the Association as set forth in this Declaration and the Act, each Mortgagee of a Mortgage in a first lien position encumbering any Unit which obtains title to such Unit, pursuant to the remedies provided in such Mortgage, or by deed or assignment in lieu of foreclosure, or by foreclosure of such Mortgage, shall take title to a Unit free and clear of claims for unpaid Assessments or charges against such Unit which accrued prior to taking title to the Unit. However, each such Mortgagee, upon taking title to a Unit, shall be obligated to pay Assessments just as all other Owners.

(d) Unless Eligible Mortgagees holding at least sixty-seven percent (67%) of the voting rights of all Eligible Mortgagees with respect to Units, or Owners (other than

Declarant) holding at least sixty-seven percent (67%) of the Membership have given their prior written approval, neither the Association nor the Owners shall:

(i) by act or omission seek to abandon or terminate the Condominium Property;

(ii) change the method of determining the obligations, Assessments, dues or other charges which may be levied against any Owner;

(iii) partition or subdivide any non-Declarant owned Unit;

(iv) by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements; *provided, however*, that the granting of easements as provided in this Declaration for public utilities or for other purposes consistent with the intended use of the Common Elements shall not be deemed a transfer within the meaning of this clause and no consent of the Eligible Mortgagees whatsoever shall be required for such grants;

(v) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design, the exterior appearance or the maintenance of the Units or the Common Elements;

(vi) fail to maintain or cause to be maintained fire and extended coverage insurance on insurable Common Elements as provided in Article 12 of this Declaration;

(vii) use hazard insurance proceeds for losses to any portion of the Condominium Property (i.e., Improvements to the Common Elements) for other than the repair, replacement or reconstruction of such property, subject to the provisions of Article 12 and 13 of this Declaration; or

(viii) change the pro rata interest or obligations of any non-Declarant owned Unit in order to levy Assessments or charges, allocate distributions of hazard insurance proceeds or condemnation awards or determine the pro rata share of ownership of each Unit in the Common Elements.

(e) All Eligible Mortgagees shall have the right to:

(i) examine current copies of the Association's books, records and financial statements and the Association Governing Documents during normal business hours and upon not less than seventy-two (72) hours prior written notice;

(ii) require the Association to submit an annual audited or reviewed financial statement without expense to the entity requesting the statement;

- (iii) request to receive written notice of all meetings of Owners; and
- (iv) designate in writing a representative who shall be authorized to attend all meetings of Owners.

(f) All Eligible Mortgagees shall be given sixty (60) days' written notice prior to the effective date of (i) any proposed material amendment to the Governing Documents; (ii) any termination of an agreement for professional management of the Condominium Property following any decision of the Owners to assume self-management of the Condominium Property; and (iii) any proposed termination of the Condominium Property as a Condominium.

(g) The Reserve Funds must be funded by regular scheduled monthly, quarterly, semiannual or annual payments rather than by large Special Assessments.

(h) The Board shall secure and cause to be maintained in force at all times a fidelity bond for any Person handling funds of the Association, including, but not limited to, employees of the Manager.

(i) Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Common Elements and may pay any overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for Common Elements, and Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

16. *Amendment and Termination of Declaration.*

16.1 *Amendment to Declaration.*

(a) *Amendment by the Declarant.* To the extent allowed by the Act: (i) at any time prior to the first Close of Escrow, the Declarant may unilaterally amend or terminate this Declaration without any vote or prior notice to the Owners; and (ii) when the Declarant exercises any of its Developmental Rights, the Declarant may unilaterally amend this Declaration as provided in the Act.

(b) *Amendments by the Owners Not Affecting Hotel Parcel.* The Board may propose an amendment to this Declaration that does not affect the Hotel Parcel upon its own initiative via a majority vote of the Board or upon request of the Owners of not less than ten percent (10%) of the Units. The notice of the subject matter of a proposed amendment to this Declaration in reasonably detailed form shall be included in the notice of any meeting at which a proposed amendment that does not affect the Hotel Parcel is to be considered. The resolution shall be adopted by the vote, in person or by proxy, or written consent of Owners representing not less than sixty-seven percent (67%) of the voting power of the Association; *provided, however*, that the specified percentage of the voting power of the Association necessary to amend a specified section or provision of this Declaration shall not be less than the percentage of affirmative votes prescribed for action to be taken under that section or provision. The Owner approval described in this Section shall not be required for amendments that may be executed by the Declarant under NRS §§ 116.2109 and 116.211 or any successor statutes, by the Association under NRS §§ 116.1107 and 116.2108(3)

or any successor statutes, or by certain Owners under NRS §§ 116.2108(2), 116.2112 and 116.2118 or any successor statutes.

(c) *Amendments Affecting Hotel Parcel.* Notwithstanding the provisions of Paragraphs (a) and (b) of this Section of the Declaration, the provisions of Sections 3.2, 3.3, 4.1, 4.4, Articles 8, 9, 10, 11, 12, 13, and Sections 16.1(b), 16.1(c), 20, 22, 23.7(a), 23.7(c), and 23.13 shall not be amended, modified or in any manner impaired and/or diminished, directly or indirectly, without the prior written consent of the Hotel Parcel Owner and Owners holding at least eighty percent (80%) of the voting power of the Association; provided, however, that the specified percentage of the voting power of the Association necessary to amend a specified section or provision set forth in this Article 16 shall not be less than the percentage of affirmative votes prescribed for action to be taken under that section or provision. The Association and each Owner agree and acknowledge that the Hotel Parcel Owner is a third party beneficiary of this Declaration and shall be entitled to enforce the same.

(d) *Amendment by Board.* Notwithstanding anything contained in this Declaration to the contrary, if the right to use any name or mark is terminated and/or revoked by the owner of such names or marks, the Board shall have the right and the obligation to amend the Declaration to delete references to such names or marks without notice to or consent of the Owners.

(e) *Consent of Eligible Mortgagees.* No amendment may be adopted which would eliminate, modify, prejudice, abridge or otherwise adversely affect any rights, benefits, privileges or priorities granted or reserved to mortgagees of Units without the consent of Eligible Mortgagees in each instance; nor shall an amendment make any change in Articles 12, 13, 14, 15, or Sections 16.1(d) or 16.3 unless Eligible Mortgagees shall join in the amendment. Except as specifically provided herein or if required by FNMA or FHLMC, the consent and/or joinder of any lien or mortgage holder on a Unit shall not be required for the adoption of an amendment to this Declaration and, whenever the consent or joinder of a lien or mortgage holder is required, such consent or joinder shall not be unreasonably withheld. Unless otherwise specified in this Declaration, where approval or consent of Eligible Mortgagees is required hereunder, the approval or consent of not less than fifty-one percent (51%) of such Eligible Mortgagees shall be required.

16.2 *Recordation of Amendment.* A copy of each amendment shall be certified by the president or any officer of the Association so designated, and the amendment shall be effective when Recorded.

16.3 *Termination of Declaration.* Except in the case of a taking of all of the Units by eminent domain, termination of this Declaration shall require approval by the Owners representing at least eighty percent (80%) of the voting power of the Membership. No such termination shall be effective unless it is also approved in advance either by fifty-one percent (51%) of the Eligible Mortgagees (if said termination is proposed by reason of the substantial destruction or condemnation of the Condominium Property) or by sixty-seven percent (67%) of such Eligible Mortgagees (if said termination is for reasons other than such substantial destruction or condemnation of the Condominium Property). An agreement to terminate this Declaration must be evidenced by the execution of an agreement to terminate in the same manner as a deed by the requisite number of

Owners. The agreement to terminate must specify a date after which the agreement will be void unless it is Recorded.

16.4 *Protection of Declarant.* The prior written approval of the Declarant shall be required before any amendment to this Declaration which would impair or diminish the rights of the Declarant shall become effective. Notwithstanding any other provisions of the Governing Documents, until such time as (i) the Declarant is no longer entitled to exercise its rights under Section 18 of this Declaration; or (ii) the Declarant no longer owns any Units in the Condominium Property, whichever occurs last, the following actions, before being undertaken by the Association, shall first be approved in writing by the Declarant:

(a) the proposal of any amendment of this Declaration or other action requiring the approval of Eligible Mortgagees pursuant to this Declaration, including without limitation, all amendments and actions specified in Section 16.1(d) of this Declaration;

(b) the annexation to the Condominium Property of real property other than the Annexable Area pursuant to Section 18.2 of this Declaration; or

(c) any significant reduction of Association maintenance or other services.

17. *Declarant's Rights and Reservations.*

17.1 *Right to Subdivide, Re-plat.* Subject to the restrictions, covenants and conditions in the Reciprocal Easement Agreement, nothing in the Governing Documents shall limit, and neither the Owners nor the Association shall do anything to interfere with, the right of the Declarant to subdivide or resubdivide any portion of the Condominium Property of the Condominium Property.

17.2 *Completion of Improvements.* Subject to the restrictions, covenants and conditions in the Reciprocal Easement Agreement, nothing in the Governing Documents shall limit, and neither the Owners nor the Association shall do anything to interfere with, the right of the Declarant to complete Improvements to and on the Common Elements or any portion of the Condominium Property owned solely or partially by the Declarant, or to alter the foregoing or its construction plans and designs, or to construct such additional Improvements as the Declarant deems advisable in the course of development of the Condominium Property so long as any Unit remains unsold by the Declarant. The rights of the Declarant hereunder shall include, but shall not be limited to, the right to install and maintain such structures, displays, signs, billboards, flags and sales offices as may be reasonably necessary for the conduct of its business of completing construction of the Improvements and disposing of the Units by sale, resale, lease or otherwise, including, without limitation, the express right to maintain a show model for sales purposes, and to act as a nonexclusive reselling agent of condominium units within the Condominium Property.

17.3 *Declarant's Rights as Unit Owner.* The Declarant further reserves the right to avail itself of all the rights of an Owner until such time it no longer owns any Units. So long as Declarant is an Owner of one or more Units, Declarant may use such Units for any lawful purpose.

17.4 *View Impairment, Nuisance.* Each Owner by accepting a deed to a Unit hereby acknowledges that the activities of the Declarant may temporarily or permanently impair the view of such Owner and may constitute an inconvenience or nuisance to the Owners, and hereby consents

to such impairment, inconvenience or nuisance until such time as the Declarant or any successor-in-interest of the Declarant ceases to own any portion of the Condominium Property or the Annexable Area.

17.5 Additional Rights. This Declaration shall not limit the right of the Declarant at any time prior to acquisition of title to a Unit by a Purchaser from the Declarant to establish on the Condominium Property additional licenses, easements, reservations and right-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Condominium Property, the Building and/or the Project. The Declarant may use any Units owned or leased by the Declarant in the Condominium Property as model home complexes or real estate sales or leasing offices.

17.6 No Approval Required. The Declarant need not seek or obtain Board approval of any Improvement constructed or placed on any portion of the Condominium Property by the Declarant.

17.7 Assignment of Declarant's Rights. The rights of the Declarant under Governing Documents may be assigned by the Declarant to any successor-in-interest as such rights may relate to any portion of the Declarant's interest in any portion of the Condominium Property by a written assignment.

17.8 Amendments Affecting Declarant. Notwithstanding any other provision of this Declaration, the prior written approval of the Declarant, as developer of the Condominium Property, will be required before any amendment of this Article 17 shall be effective.

17.9 Power of Attorney. Only the Declarant is required to execute any Map or document necessary for the Declarant to exercise all rights reserved under Articles 15 and 17; provided, however, that in the event any local or state agency determines that any Map or document that is necessary for the Declarant to exercise its reserved rights hereunder must be executed by any or all of the Owners, each Owner hereby grants, upon acceptance of a deed to such Owner's Unit, an irrevocable, special power of attorney to the Declarant to execute and Record all documents and maps necessary to allow the Declarant to exercise its rights under Articles 17, 18 and 19 of this Declaration.

17.11 Notices to Declarant. The Association shall provide the Declarant with all notices and other documents to which an Owner or Eligible Mortgagee is entitled pursuant to this Declaration, provided that the Declarant shall be provided such notices and other documents without making written request therefor.

The Declarant must exercise the Developmental Rights within ninety-nine (99) years following the Recordation of this Declaration. The Developmental Rights may be exercised with respect to different parcels of real estate at different times. The Declarant makes no assurances regarding the boundaries of those parcels of real estate to which the Developmental Rights may apply or the order in which those parcels may be subjected to the Developmental Rights. If any Developmental Right is exercised in any portion of the real estate subject to that Developmental Right, the Developmental Right need not be exercised in all or any other portion of the remainder to that real estate.

18.2 *Additions by the Declarant.* The Declarant or its successors or assigns shall have the right from time to time to add to the Condominium Property any of the real property within the Annexable Area or other property owned by the Declarant and to bring such real estate within the general plan and scheme of this Declaration without the approval of the Association, the Board or Owners. As certain real estate owned by the Declarant or the Annexable Area is developed, the Declarant may, with respect thereto, (a) comply with the provisions of the Act; and (b) Record a Notice of Addition which shall have the effect of causing the real estate that is the subject of such Notice of Addition to become subject to each and every covenant, condition, restriction and easement contained within this Declaration and the rights, powers and responsibilities of the owners, lessees and occupants of Units within such added property, as well as within the property originally subject to this Declaration, shall be the same as if the added property were originally covered by this Declaration. Furthermore, the Declarant may supplement this Declaration with such additional covenants, conditions, restrictions, reservations and easements as the Declarant may deem appropriate for that Phase. From the date upon which the Declarant provides written notice, the Owners located in the added property shall share in the payment of Assessments to the Association to meet Common Expenses of the entire Condominium Property. Voting rights attributable to the Owners for the added property shall not vest until Annual Assessments have commenced as to such Phase. The Declarant makes no assurances regarding the order in which any real property will be added to the Condominium Property or whether such real estate will be added to the Condominium Property at all.

18.3 *Notice of Addition of Territory.* The additions authorized under Section 18.2 of this Declaration shall be made by Recording a Notice of Addition and complying with the provisions of the Act with respect to the added real estate which shall extend the general plan and scheme of this Declaration to such added property. Any such Notice of Addition shall constitute an amendment to this Declaration as described in NRS § 116.211 or any successor statute. The Notice of Addition for any addition under Section 18.2 of this Declaration shall be signed by the Declarant. The Recordation of said Notice of Addition shall constitute and effectuate the annexation of the added property described therein and thereupon said added property shall become and constitute a part of the Condominium Property, become subject to this Declaration and encompassed within the general plan and scheme of covenants, conditions, restrictions, reservation of easements and equitable servitudes contained herein, and become subject to the functions, powers and jurisdiction of the Association and the Owners shall automatically become Members of the Association. Such Notice of Addition may contain a

supplemental declaration with such additions and modifications of the covenants, conditions, restrictions, reservation of easements and equitable servitudes contained in this Declaration as may be necessary to reflect the different character, if any, of the added property, or as the Declarant may deem appropriate in the development of the added property, and as are not inconsistent with the general plan and scheme of this Declaration.

18.4 *Deannexation and Amendment.* The Declarant may amend a Notice of Addition or delete all or a portion of a Phase from coverage of this Declaration and the jurisdiction of the Association, so long as the Declarant is the owner of all such Phase and provided that (a) an amending instrument or a notice of deletion, as applicable, is Recorded in the same manner as the applicable Notice of Addition was Recorded and the Declarant complies with the Act; (b) the Declarant has not exercised any Association vote with respect to any portion of such Phase; (c) Assessments have not yet commenced with respect to any portion of such Phase; (d) Close of Escrow has not occurred for the sale of any Unit in such Phase; and (e) the Association has not made any expenditures or incurred any obligations with respect to any portion of such Phase. Such amending instrument or notice of deletion shall constitute an amendment to this Declaration as described in NRS § 116.211 or any successor statute.

18.5 *Subdivision of Units.* The Declarant may subdivide any Unit owned by the Declarant into two (2) or more additional Units or into Common Elements. An amending instrument or notice of subdivision shall be Recorded in the same manner as a Notice of Addition, which instrument or notice shall constitute an amendment to this Declaration as described in NRS § 116.211 or any successor statute.

18.6 *Maximum Number of Units.* The Declarant hereby reserves the right to create a maximum of 999 Units throughout the Condominium Property.

19. *Reservation of Special Rights.* In addition to the other rights contained in this Declaration, the Declarant reserves the following special rights, on the terms and conditions and subject to the expiration deadlines set forth below:

19.1 *Right to Complete Improvements and Construction Easement.* The Declarant reserves the right, for a period of sixty (60) months following the Recordation of this Declaration, to complete the construction of Improvements on the Condominium Property, and an easement over the Condominium Property for the purpose of doing so. 20. *Security Disclaimer.* In addition to (and not in place of) the security that may be provided from time to time by the owners of other portions of the Project in the Reciprocal Easement Agreement, if any, the Association, the Declarant, the Hotel Operator and/or the Hotel Parcel Owner may, but shall not be obligated to, maintain or support certain activities within the Condominium Property designed to make the Condominium Property safer than it might otherwise be.

NONE OF THE ASSOCIATION, THE HOTEL OPERATOR, THE MANAGER, THE HOTEL PARCEL OWNER, DECLARANT OR THE DECLARANT'S AFFILIATES SHALL IN ANY WAY BE CONSIDERED INSURERS OR GUARANTORS OF SECURITY WITHIN THE PROJECT, AND NONE OF THE ASSOCIATION, THE HOTEL OPERATOR, THE MANAGER, THE HOTEL PARCEL OWNER OR THE DECLARANT, OR ANY SUCCESSOR DECLARANT, AND/OR DECLARANT'S AFFILIATES SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OR FAILURE TO PROVIDE SECURITY OR THE INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. EACH OWNER AND SUCH OWNER'S PERMITTEES ACKNOWLEDGE THAT THE ASSOCIATION, THE BOARD, THE HOTEL OPERATOR, THE MANAGER, THE HOTEL PARCEL OWNER, THE DECLARANT OR ANY SUCCESSOR DECLARANT AND/OR ITS AFFILIATES DO NOT REPRESENT OR WARRANT THAT ANY FIRE PROTECTION SYSTEM OR OTHER SECURITY SYSTEM DESIGNED OR INSTALLED ACCORDING TO THE GUIDELINES ESTABLISHED BY ANY OF THEM MAY NOT BE COMPROMISED OR CIRCUMVENTED, THAT ANY FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL PREVENT LOSS BY FIRE, SMOKE, BURGLARY, THEFT, HOLD-UP, TERRORISM OR OTHERWISE, NOR THAT FIRE PROTECTION OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THE SYSTEM IS DESIGNED OR INTENDED. EACH OWNER AND SUCH OWNER'S PERMITTEES ACKNOWLEDGE AND UNDERSTAND THAT THE HOTEL PARCEL OWNER, THE HOTEL OPERATOR, THE MANAGER, THE ASSOCIATION, ITS BOARD AND COMMITTEES, THE DECLARANT, ANY OTHER SUCCESSOR DECLARANT AND/OR ANY AFFILIATES OF DECLARANT ARE NOT INSURERS AND THAT EACH OWNER AND SUCH OWNER'S PERMITTEES ASSUME ALL RISK FOR LOSS OR DAMAGE TO PERSONS, UNITS AND THE CONTENTS OF UNITS AND FURTHER ACKNOWLEDGE THAT THE HOTEL PARCEL OWNER, THE HOTEL OPERATOR, THE MANAGER, THE ASSOCIATION, ITS BOARD AND COMMITTEES, THE DECLARANT, ANY SUCCESSOR DECLARANT OR AFFILIATES OF A DECLARANT HAVE MADE NO REPRESENTATIONS OR WARRANTIES NOR HAS ANY OWNER OR SUCH OWNER'S PERMITTEES RELIED UPON ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY

PARTICULAR PURPOSE, RELATIVE TO ANY FIRE AND/OR BURGLAR ALARM SYSTEMS OR OTHER SECURITY SYSTEMS RECOMMENDED OR INSTALLED OR ANY SECURITY MEASURES UNDERTAKEN WITHIN THE CONDOMINIUM PROPERTY OR THE PROJECT.

21. *Violations.*

21.1 *Limitation on Expenditures.* The Association shall not incur litigation expenses, including, without limitation, attorneys' fees, where the Association initiates legal proceedings or is joined as a plaintiff in legal proceedings without the approval of a majority of the Members, excluding the voting power of any Owner who would be a defendant in such proceedings. Such approval shall not be necessary if the legal proceedings are initiated to (a) enforce the Governing Documents; or (b) collect any unpaid Assessments levied pursuant to this Declaration.

21.2 *Fines and Penalties.* For any violation of the Controlling Documents, the Board may:

(a) Prohibit, for a reasonable time, an Owner or an Owner's Permittees from:

(b) Impose a fine against an Owner or an Owner's Permittees for each violation, except that a fine may not be imposed for a violation that is the subject of a construction penalty pursuant to the Act. If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the Owners or residents of the Condominium, the amount of the fine must be commensurate with the severity of the violation and must be determined by the Board in accordance with the Governing Documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the Owners or residents of the Condominium, the amount of the fine must be commensurate with the severity of the violation and must be determined by the Board in accordance with the Governing Documents, but the amount of the fine may not exceed the maximum amount allowed by the Act or other applicable law. The limitations on the amount of the fine do not apply to charges or costs that may be collected by the Association pursuant to this Section 21.2(b).

21.3 *Schedule of Fines and Penalties.* In accordance with the Act, the Board may adopt a schedule of reasonable fines or penalties, including, without limitation, construction penalties, and a policy of administering such fines or penalties which fines or penalties, in its reasonable discretion, it may assess against an Owner for the failure of such Owner and/or the Owner's Permittees to comply with any provisions of the Governing Documents. Such fines or penalties may only be assessed by the Board, against the Owner and the Unit of the violating Owner, after Notice and Hearing. The schedule of fines and penalties, together with the Association's policy for the collection of fines, assessments or other costs imposed against an Owner, shall be distributed

21.4 *Past Due Fines.* Past due fines shall be imposed and collected in accordance with the Act. Costs of collection incurred by the Association in connection with collecting a past due fine may be recovered from the violating Owner.

21.5 *Right to Enforce.* The Board, any Owner (not at the time in default hereunder) and, as applicable, the Hotel Parcel Owner, or the Declarant (so long as the Declarant is an Owner) shall be entitled to enforce the Governing Documents. Each Owner, the Declarant and the Hotel Parcel Owner shall have a right of action against the Association for the Association's failure to comply with the Governing Documents. Each remedy provided for in this Declaration shall be cumulative and not exclusive or exhaustive.

22. *Additional Disclosures; Disclaimers and Releases.*

22.1 *Additional Disclosures.* WITHOUT LIMITING ANY OTHER PROVISION IN THIS DECLARATION, THE ASSOCIATION AND, BY ACQUIRING TITLE TO A UNIT, OR BY POSSESSION OR OCCUPANCY OF A UNIT, EACH OWNER FOR ITSELF AND FOR SUCH OWNER'S PERMITTEES, SHALL CONCLUSIVELY BE DEEMED TO UNDERSTAND, AND TO HAVE ACKNOWLEDGED AND AGREED TO, ALL OF THE FOLLOWING:

(a) EACH OWNER SPECIFICALLY ACKNOWLEDGES AND AGREES THAT THE HOTEL PARCEL OWNER SHALL HAVE THE RIGHT, IN ITS SOLE DISCRETION, TO (i) SELECT A MANAGER TO MANAGE, OPERATE AND/OR MAINTAIN THE HOTEL AND/OR THE HOTEL PARCEL; AND (ii) CHANGE SUCH MANAGER OR OPERATOR FROM TIME TO TIME.

(b) There is, and will always be, the presence of certain biological organisms within the Unit. Most typically, this will include the common occurrence of mold, fungi, mildew or other mycotoxins, and each Owner understands and agrees that there is no method for completely eliminating the development of molds, fungi, mildew or other mycotoxins. Mold and other mycotoxins tend to proliferate in warm, wet areas, and, as such, it is each Owner's responsibility to maintain its Unit so as to avoid the accumulation of moisture and/or mold and other mycotoxins within the Unit.

Further, each Owner is hereby advised that certain molds, mildew, mycotoxins and/or fungi may be, or if allowed to remain for a sufficient period may become, toxic and potentially pose a health risk. Each Owner shall be deemed to have assumed the risk associated with molds, mildew, mycotoxins and/or fungi and to have released the Declarant, Declarant's Affiliates, the Association and/or the Hotel Parcel Owner from any and all liability resulting from same, including, without limitation, any liability for incidental or consequential damages (which may result from, without limitation, the inability to possess the Unit, inconvenience, moving costs, costs of temporary lodging, storage costs, loss of time, lost wages, lost opportunities and/or personal injury). Without limiting the generality of the foregoing, leaks, wet flooring and moisture will contribute to the growth of mold, mildew, fungus or spores. **EACH OWNER, BY ACCEPTANCE OF A DEED OR OTHERWISE ACQUIRING TITLE TO A UNIT, SHALL BE DEEMED TO HAVE AGREED THAT THE DECLARANT, ANY AFFILIATES OF DECLARANT AND/OR**

HOTEL PARCEL OWNER IS NOT RESPONSIBLE, AND HEREBY DISCLAIMS ANY RESPONSIBILITY FOR, ANY ILLNESS OR ALLERGIC REACTIONS WHICH MAY BE EXPERIENCED BY THE AN OWNER AND/OR SUCH OWNER'S PERMITTEES AS A RESULT OF MOLD, MILDEW, FUNGUS, SPORES OR OTHER MYCOTOXINS. IT IS THE OWNER'S RESPONSIBILITY TO KEEP SUCH OWNER'S UNIT CLEAN, DRY, WELL-VENTILATED AND FREE OF CONTAMINATION.

(c) The Hotel Parcel Owner may, from time to time, contract for or obtain licenses for the operation and maintenance of the Hotel with any party it chooses, in its sole discretion. Each Owner acknowledges and agrees that any use of the trade names and trademarks or service marks of the Hotel Operator, without proper licensing from such operator, is expressly prohibited.

(d) Declarant may enter into a Management Agreement, pursuant to which the Manager will manage the Association and the Common Elements and provide services for the care, protection, maintenance and operation thereof. The costs to manage the Association and the Common Elements will be paid by the Owners through Assessments as provided herein.

(e) Although it is contemplated that a Hotel will be operated in the Building, Declarant makes no representation or warranty that the Building will include a Hotel or that the Hotel, if any, will be operated by a particular Hotel Operator. Declarant makes no representation as to the nature, use or architecture of any future development or improvements on Neighboring Developments; and such use, development and/or construction on Neighboring Developments may result in noise, dust, or other "nuisance" to the Condominium Property or Owners.

(j) Each Owner acknowledges that Declarant or any of Declarant's Affiliates or related parties may, in their sole discretion, construct additional hotel, condominium and/or condominium-hotel towers and other commercial/retail facilities in the vicinity of the Condominium Property and that the construction of such improvements may result in high levels of traffic, noise, maintenance, repair, dust, and other nuisances from such construction and operation of such buildings and towers and each Owner hereby releases Declarant and any of its Affiliates or related parties or any other third party involved in the construction and operation of such buildings and towers from any and all claims arising from or relating to such construction and operation and/or noise, dust, and other nuisance related thereto.

(k) NV Energy maintains a high energy electrical transmission line facility along Las Vegas Boulevard, and there may in the future be other, major electrical power system components (high voltage transmission or distribution lines, transformers, etc.) from time to time located nearby the Project, which generate certain electric and magnetic fields around them; and each Owner hereby releases the Declarant from any and all claims arising from or relating to such electric magnetic fields.

(l) The Units and other portions of the Condominium Property from time to time are or may be located within or nearby certain airplane flight patterns, and/or subject to significant levels of airplane traffic and noise; and each Owner hereby releases the Declarant and its Affiliates from any and all claims arising from or relating to airplane flight patterns, and/or airplane noise.

other nuisance from such roadways; and each Owner hereby releases the Declarant and its Affiliates from any and all claims arising from or relating to roadways and/or noise, dust, and other nuisance related thereto.

(o) The Units and other portions of the Condominium and the Project are now or hereafter may be located adjacent to or nearby power generators, major water facilities and major water and drainage channel(s) and/or washes (all, collectively, "*Facilities*"), the ownership, use, regulation, operation, maintenance, improvement and repair of which are not within Declarant's control, and over which Declarant does not necessarily have jurisdiction or authority, and, in connection therewith, each Owner acknowledges by acceptance of a deed to a Unit: (i) the Facilities may be an attractive nuisance to children; (ii) maintenance and use of the Facilities may involve various operations and applications, including (but not necessarily limited to) noisy electric, gasoline or other power driven vehicles and/or equipment used by Facilities maintenance and repair personnel during various times of the day, including, without limitation, early morning and/or late evening hours; (iii) the possibility of damage to Improvements and property on the Condominium, particularly in the event of overflow of water or other substances from or related to the Facilities, as the result of nonfunction, malfunction, or overtaxing of the Facilities or any other reason; and (iv) any or all of the foregoing may cause inconvenience and disturbance to an Owner and other persons in or near Common Elements, and possible injury to person and/or damage to property.

(p) Residential construction is an industry inherently subject to variations and imperfections, and items which do not materially affect safety or structural integrity shall be deemed "expected minor flaws" (including, but not limited to: reasonable wear, tear or deterioration; shrinkage, swelling, expansion or settlement; squeaking, peeling, chipping, cracking, or fading; touch-up painting; minor flaws or corrective work; and like items) and not constructional defects. Each Owner hereby releases the Declarant and its Affiliates from any and all claims arising from or relating to such expected minor flaws.

(q) The finished construction of each Unit, the Common Elements, the Hotel Parcel and any Association Property, while within the standards of the industry in Clark County, Nevada, and while in substantial compliance with the plans and specifications, will be subject to variations and imperfections and expected minor flaws; and each Owner hereby releases the Declarant and its Affiliates from any and all claims arising from or relating to such variations, imperfections and flaws.

UNIT BOUNDARIES

Each Unit shall include that part of the Building containing the Unit that lies within the following boundaries:

1. *Upper and Lower Boundaries.* The upper and lower boundaries of the Unit shall be the following boundaries extended to their planar intersections with the perimetrical boundaries:

(a) *Upper Boundaries.* The horizontal plane of the unfinished lower surface of the ceiling (which will be deemed to be the ceiling of the upper story if the Unit is a multi-story Unit, provided that in multi-story Units where the lower boundary extends beyond the upper boundary, the upper boundary shall include that portion of the ceiling of the lower floor for which there is no corresponding ceiling on the upper floor directly above such bottom floor ceiling).

(b) *Lower Boundaries.* The horizontal plane of the unfinished upper surface of the floor of the Unit (which will be deemed to be the floor of the first story if the Unit is a multi-story Unit, provided that in multi-story Units where the upper boundary extends beyond the lower boundary, the lower boundary shall include that portion of the floor of the upper floor for which there is no corresponding floor on the bottom floor directly below the floor of such top floor).

(c) Except as provided in subsections 1(a) and 1(b) above, no part of the floor of the top floor, ceiling of the bottom floor, stairwell adjoining the multi-floors, in all cases of a multi-story Unit, if any, or nonstructural interior walls shall be considered a boundary of the Unit.

2. *Perimetrical Boundaries.* Except as provided herein, the perimetrical boundaries of the Unit shall be the vertical planes of the unfinished interior surfaces of exterior walls and the center of interior walls (including (a) any walls between Units; and (b) any walls between a Unit and any Common Element) bounding the Unit, extended to their planar intersections with each other and with the upper and lower boundaries. Notwithstanding the foregoing, as to walls shared by a Unit and the Hotel Parcel, if any, the perimetrical boundary of the Hotel Parcel at such shared wall shall extend to the unfinished interior surface of any exterior walls bounding a Unit.

3. *Apertures.* Where there are apertures in any boundary, including, but not limited to, windows, spandrels, doors, bay windows and skylights, such boundaries shall be extended to, but shall not include, the interior surface of such apertures including all frameworks, window casings and weather stripping thereof. The windows, spandrels, and skylights shall not be a part of the Units or Common Elements, provided, however, that the boundaries of a Unit shall be extended to include any doors between a Unit and a Common Element and, further, provided that the boundary of the Common Elements shall be deemed to include any doors (including elevator doors) between a Common Element and a portion of a structure that is not part of the Units or the Common Elements, but to exclude the exterior surfaces of such doors. Furthermore, notwithstanding anything to the contrary, the structural components of the Building, load bearing partitions and other load bearing portions of the Improvements, the Systems (including, without limitation, Life Safety Systems), and Common Elements serving multiple Units (including, without limitation, any insulation, soundproofing materials, conduits, piping, tubing, cabling and wiring), regardless where the same

may be located, are expressly excluded from the Units and are instead deemed and for all purposes shall be either Common Elements or Hotel Parcel, as the context requires and consistent with Section 2 above, and shall not be disturbed or altered without the written consent of the Board or the Hotel Parcel Owner, as the case may be. NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, NO POST TENSION WIRING CONTAINED IN THE BUILDING SHALL BE CONSIDERED A PART OF A UNIT. AS SUCH WIRING IS ESSENTIAL TO THE STRUCTURE AND SUPPORT OF THE BUILDING, ALL POST TENSION WIRING SHALL BE DEEMED COMMON ELEMENTS OF THE CONDOMINIUM OR PART OF THE HOTEL PARCEL, AS THE CONTEXT REQUIRES AND CONSISTENT WITH SECTION 2 ABOVE, AND MAY NOT BE DISTURBED OR ALTERED WITHOUT THE WRITTEN CONSENT OF THE BOARD OR THE HOTEL PARCEL OWNER, AS THE CASE MAY BE.

4. *Exceptions.* In cases not specifically covered above, and/or in any case of conflict or ambiguity, the description of the Units set forth on the Map shall control in determining the boundaries of a Unit, the Common Elements shall be as identified on the Map, the Hotel Parcel shall be as identified on the Map and Exhibit F, and the Commercial Parcel shall be as identified on the Map and Exhibit E, except that the provisions of Section 3 above shall control unless specifically depicted and labeled otherwise on the Map.

PLEASE NOTE: NOTWITHSTANDING THAT ALL STRUCTURAL COMPONENTS OF THE BUILDING, LOAD BEARING PARTITIONS AND OTHER LOAD BEARING PORTIONS OF THE IMPROVEMENTS, SYSTEMS AND COMMON ELEMENTS SERVING MULTIPLE UNITS ARE PART OF THE HOTEL PARCEL OR THE COMMON ELEMENTS, ALL SQUARE FOOTAGE CALCULATIONS FOR EACH UNIT ON THE MAP AND AS SHOWN ON EXHIBIT C ARE GROSS MEASUREMENTS THAT INCLUDE SUCH COMPONENTS.
